Important News *****

The League's annual dinner and get-together will be held

At; Toffenetti's Restaurant
57 West Randolph St
(Chicago Loop)

On; Friday June 22, 1962

Time- 6:30 PM (Cash Bar open at 5:00 PM)

The menu is the choice of each diner with each choosing his desire from the regular menu of the day.

The entertainment planned for the evening is a speed chess tournament with cash prizes.

All clubs (and individuals) are requested to bring chess clocks to facilitate the running off of the speed event. Don't forget to mark them well with names etc.

The above arrangements were arrived at during the sparsely attended League meeting which even the Chairman had to leave while it was in session. (Personal emergency) During the meeting the trophies were chosen and other matters discussed.

The First National's match with Motorola which was set for play in recent weeks was forfeited by First National because, on the night of the match, they could not field a team.

Regarding the annual dinner, please poll your members as soon as possible to find out who can or desires to come. This information is to be passed on to the Chairman so that any changes in the number of reservations may be taken care of and, most important, the names of those planning to enter the Speed Chess Tourney can be arranged for distribution into Class groups.

Re- Cap

Banquet June 22 Friday
57 West Randolph

Speed Tourney

needs: 1. Names of those planning
to play
2. Clocks !!!

P.S. Please bring , the evening of the banquet,
enough chess sets for your own people.
(One set for each two who attend)

More News soon,

D. Mc Cluskey
Chairman

PPS The placement match situation (See first page) shows
only two possibilities of real interest;

The pairing of #5 and #6 to determine if Argonne
"B" would retain fifth position;

And the winner of that match playing Donnelley
for a fourth position (Although Donnelley shows
a clear fourth position in the list)

N.B. Trophies will be awarded, at the banquet to the winners of our
Class A, B, and C Intra-Club Tournaments. We will be awarded for
our "A" team placing second for the season. ^{A Trof}

The speed tournament described above will be one in which you
must win on time or by checkmate within seven (7) minutes - No
entry fee involved.

If you can make it for the banquet, please notify me as soon as
possible but no later than the 18th.

Hope to see you at the banquet,

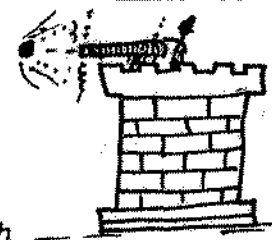

JOE R. SHAGG

Chicago Industrial Chess League

Bulletin

June 22, 1962

We have come to the end of another season with participation in league activities on the increase as has happened every year since the league began. Your chairman has just received word that Darling and Co. of 4201 S. Ashland is interested as well as Johnson and Johnson of 64th and Cicero. This would bring our league up to ten teams plus the two "B" teams. We would probably be forced into a two group league in order to handle the situation.

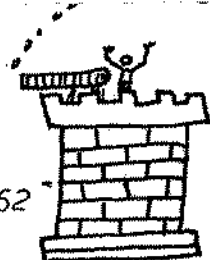

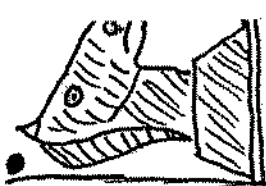

The results of the only important placement match of the season are listed below:

Argonne "B"				Western Elect. "B"	
1. R. Fabijonas	1	0	H. Serdoz		
2. J. Wolkoff	1	0	H. Wettersten		
3. F. Helm	0	1	L. Schriener		
4. R. Telford	1	0	K. Dopheide		
5. V. Kubilius	1	0	J. Traeger		
6. V. Trice	0	1	J. Shagg		
7. H. Ekstein	0	1	R. Rook		
8. G. Dickerson	0	1	K. Dobr		
	<u>4</u>	<u>4</u>			

The teams were matched to almost a dead even draw during the season and this 4-4 finish is just a further illustration of the evenness of these so-called "B" teams who managed to come in in fourth and fifth place for the season. (Argonne 4th)

In February was one of those matches that proves that anything can happen in our League--- The First National was only able to field five players for their match with Stewart Warner. Even though there were three forfeitures the Bank won the match 4½ to 3½. Let no team dispair even when things look Black(or White.)

A brief note to all those who have made my term as your Chairman a little bit easier and better---Thanks..

Don McCluskey
