SUNBEAM TEAM WITHDRAWS <sup>5</sup>

After playing 4 matches this season, the Sunbeam team withdrew from the CIGL as announced on January 10, 1963. None of their matches will be counted in the League standings. The reason given: "lack of tournament calibre chess players". They are in the process of rebuilding and hope to rejoin the CIGL (in a couple of years).

SIMULTANEOUS DEMONSTRATION ?

Last fall, colorful George Koltanowski agreed to play a simultaneous exhibition this spring, to be co-sponsored by the Hawthorne Chess & Checker Club and CIOL. However, our attempts to communicate with him to set a date have not yielded a response, so it is quite likely that we will not have such an exhibition this season.

U S OPEN CHESS TOURNAMENT

The 1963 United States Open Chess Tournament is to be held in Chicago, August 11-23, 1963, at the Belmont Hotel, Sheridan Road at Belmont. It is open to all chess players. CIOL has contributed \$50 toward the expenses of this great tournament. It would be fine if many of our League players would participate. At least most of us will want to attend to watch the play.

New MOTOROLA PLAYER

Congratulations are in order to R. Ogasawara, a new Motorola player this season. He has six wins and no defeats (plus a win by forfeit), including wins from Meissner and Sunbeam, teams that subsequently withdrew from the League.
