ANNUAL CHESS BANQUET

Final reminder: Each team captain should notify League Chairman by June 5 how many will come to the banquet, their names, and their menu choice: Beef, chicken, White Fish, Red Snapper. The captains (or team representative) will collect \$4 per person and turn money over to League Chairman at banquet. Bring chess sets and clocks. Program: Election of officers, presentation of trophies, projected slides of last year's speed chess at banquet and pictures of the Bobby Fischer exhibition, and of course speed chess (7 minute games).

FISCHER EXHIBITION

Bobby Fischer took only 3 $\frac{1}{2}$ hours on May 20 to play 50 simultaneous chess games with members of our League and a few guests. Bobby won 44 and there were 5 draws (three from ANL: J. Jackson, T. DeParry, and A. Puchala; J. Warren from WE; and J. Bikulcius from S-W). Only Erwin Puto from WE was able to win from the champion. His game score:

FAREWELL

Your League Chairman is not a candidate for reelection, so wishes to say a word of farewell. It has been an enjoyable two years, and I feel sure your new officers will lead the League on to greater success.

FORFEITS

In the 1962-63 season 8.4 % of League games were forfeited. This season 8.8 % were forfeited, more than half of them by one team. However last season only one team had no forfeits and this season four teams (2 each from ANL and WE) were free of forfeits. Captain Ken Dopheide of WE Gambiteers deserved commendation for having the only team without a forfeit for two consecutive years!
