"Greek and Latin are to all other languages in the world what the game of Chess is to the game of Draughts, and what a beautiful dance is to a common gait."

Sir William Jones,
Works, 1799

Argonne Pawns, W. E. Gambiteers Move Up in Standings. The Western Electric Chargers, who have not scored less than $6\frac{1}{2}$ points in any match and seem to be serious about challenging Argonne's domination of first place for the last two years, rolled over Illinois Bell and Motorola $7-1$ and $7\frac{1}{2}-\frac{1}{2}$, respectively. The Argonne Pawns moved into a clear fourth by beating Goss Printing $4\frac{1}{2}-3\frac{1}{2}$. The Argonne Knights downed Stewart-Warner/Sunbeam $7-1$ to keep pace with the Bishops and Chargers. The Western Electric Gambiteers defeated Hall-Roto $5\frac{1}{2}-2\frac{1}{2}$ to move into a tie for sixth place. Goss Printing also won over Hall-Roto, $5\frac{1}{2}-2\frac{1}{2}$ to enter the win column. Goss and Stewart-Warner/Sunbeam have faced the toughest opposition in the first three or four rounds. Six of the fifteen matches in the first three rounds were decided by one point or less.
