## KUMRO'S KORNER

As the season comes to a close I would like to thank all league members that helped in any capacity to promote the success of the 67-68 season. A special word of thanks to Walt Elliott and Jim Warren of Western Electric as for all practical purposes acted in the capacity of Assistant League Chairmans. A word of thanks to all team captains. A thank you goes to those who promoted the Giant 33 board match, **betwee n** ANL LABS and the Industrial League members, Ramos Fabijonas and Slavko Mihailovich of Argonne, Nik Goncharoff of Motorola and Walt Elliott of Western Electric.

My term as your League Chairman expires with the election of Nik Goncharoff of Motorola as the League's new Chairman at our League Banquet on June 14th. I would like to congratulate Nik and wish him luck. Remember your new chairman needs your support, let's give Nik the help he needs to make our upcoming 12th season a successful one !

KUMRO'S KORNER --- CLOSED FOR THE SEASON !

## 30/30 Tournament April 27th Albright Gym

4th Annual 30/30 tournament turn-out sets record !  
Record low, that is !

Only 18 took part in the tourney. However a good time was had by one and all as there were no drop outs.

The tournament director had planned a prize fund that would have covered 13 places in the final standings, or possibly more since no ties were to be broken for cash prizes. But the ties worked in reverse and only 10 cash prizes were awarded. ( that's still more than half the participants) With an assist from the league treasury (the prize fund was subsidized by 10 dollars \$) the total prize fund was \$ 46 (entry fee \$2

Mr. Kolodziej and Mr. Lajcik won prizes for highest unrated. (not included in the top 6 places) Since there are inequities in using the various tie breaking systems the choice in most cases rests with the tournament director (Dan Kumro) used the Sonnenberger, followed by a modified median. I picked the Sonnen-Berger because it places greatest emphasis on winning .

I picked a few quickies from the tournament to publish and they appear on page 4. (Sorry no notes)

However they should be interesting reading.

Here Jimmy Scherer of the ANL Pawns finishes off the 3rd place winner in 9 moves ! Looks like Dick Paz missed the real threat.

NIK GONCHAROFF elected League Chairman at the June 14th Banquet ! The Banquet was well attended with a turnout of 44 who stayed for the dinner. 41 played in the 7minute speed tournament, 3of these came after the dinner. A record prize fund of \$112 was distributed. The results are on page 5.

Former League Chairman was elected Treasurer. Trophies were awarded and prizes for the problem solving contest were given out. A good time was had by one and all !

Dan,

Would you run the following list of USCF-rated Chicago Industrial Chess League players with a request of all readers and team captains to look them over and inform me (or you) if they know of any players who play now or ever have played in any league matches who have or ever have had a USCF rating, either provisional or established. Latest changes have been added.
