CHARGERS OVERTAKE BISHOPS ! !

After chasing the BISHOPS

since mid November the Western Electric CHARGERS finally caught them by squeaking by 4 $\frac{1}{2}$ -3 $\frac{1}{2}$ with an assist from lady luck. (Who says there's no luck in Chess) I'm not speaking of over-the-board luck, since there is bound to be some positions misplayed when there are 8 boards being played on the same night. The BISHOPS were unlucky enough to have to play without their number one man. As it was the BISHOPS put up a tough battle and could have saved hopes for 1st place with a drawn match. However the CHARGERS leading 4-3, with Jim Warren making his 45th move on board one with less than a minute to go on his clock for all practical purposes clinched the match by assuring himself a draw. (Jim was ahead a piece for 2 pawns with the position pretty well covered) This set the stage 1 week later when the CHARGERS downed GOSS PRINTERS 7-1 to clinch the Championship! Congratulations to WESTERN ELECTRIC !

Congratulations to all teams as it was a hard fought season! No team went undefeated, the CHARGERS lost to the PAWNS, the PAWNS lost to HALL PRINTING, and the BISHOPS lost to the CHARGERS in what turned out to be the big match of the season. There were also some Draws sprinkled thru out the season to make it interesting.

An up and coming player at Western Electric is Tim Catledge.

I suspect league members will be seeing a lot more of Tim across the board next season!

Here Tim defeats Expert Larry Manter in fine style.
