KUMRO'S KORNEN

New contact at Teletype Lou Aldort 676-1000 ext. 6789

Standings are determined as follows:

If a team has a won-loss percentage of .500 or more emphasis is placed on the following in order of importance.

1. Number of wins in excess of losses.
2. Least number of losses regardless of matches played.
3. Game points.

However, if a team has a percentage of less than .500 emphasis is placed as follows in order of importance:

1. Most number of wins.
2. Least number of losses regardless of matches played.
3. Game points.

Late Flash!!

Bent Larsen Of Denmark wins Interzonal! His score 15½-5½ with 3 losses. 6 qualify from the interzonal for the Candidates Tournament. (To decide a challenger to play the World Champion in a 24 game match) 3 with 14 points following Larsen and also qualifying were, S. Gligorich Yugoslavia, (Who didn't lose a game in the long tough grind!!) E. Geller, Russia, (one loss) V. Korchnoi, Russia. L. Portisch, Hungary, 13½ qualified as the 5th qualifier but the 6th has yet to be decided. There was a 3 way tie for 6th thru 8th place with 13 points, S. Reshevsky, U. S. A. A. Hort, Czechoslovakia, and L. Stein, Russia. We'll all be pulling for Sammy!!

A bitter Pill to swallow was Bobby Fisher being dropped from the tournament after the 15th round! The other U. S. entry also proved a flop, R. Byrne, who managed to win only three games while losing nine! (I'll admit it is easier to be a critic than a Grandmaster!)
