On April 17, 1969 there was a trial match between Motorola and Bell Telephone Laboratory. The results are posted on page 2 of this bulletin. It looks as if there will be a new addition to our league for the 1969-70 season. If any other club wants to test Bell Lab., get in touch with me, and I'll supply you Ray Alexis' telephone number.

It is my duty to remind all league players that, because of your individual forfeits, your club may wind up on probation for one year as soon as it accumulates fifteen points.

Here is the latest count for this season:

1	1st Nat'l Bank	14
2	Perma-Power	14
3	Hall Printing	7
4	Ill. Bell Tel.	6
5	ANL Pawns	4
6	ANL. Knights	4
7	W.E. Chargers	2
8	Teletype	1
9	Motorola	1
10	Goss Co.	1

In order to break three -way tie for first place in problem solving contest, Jim Warren supplied me with three problems for this bulletin. Congratulation to Mr. Bingle, Mr. Kral , and Mr. Strabac for their persistence.

Another congratulation goes to league chairman and league treasurer for CICAL BIG TEN. For details, look on page 7 of this bulletin.

DON'T FORGET THE LEAGUE BANQUET- Friday, June 20, 1969, at the Old Prague!

Unrated Players (%): A player receives a provisional rating after he has played five games against rated opponents (i. e. players who have ratings at the time he played them or subsequently receive provisional ratings). This means that a player who has played five or more games and is still considered unrated, will get a rating (even if he plays no more games) when enough of his unrated opponents have received provisional ratings.
