Holidays are over, no matter what calendar we follow. It happens that I follow both, Gregorian and Julian, which are only two weeks apart. Nevertheless, it doesn't give me an excuse to report in Bulletin #4 the same results of the match between WE Gambiteers and ANL Bishops which I already reported in Bulletin #2. Thanks to Mr. Elliott's alertness, I am correcting this mistake in Bulletin #5.

Attention all team captains! The December 2, 1968 revised copy of the league directory shows ANL telephone number as 739-7111, it should be 739-7711. Also, Alex Pehas'(W.E.) correct telephone number is 494-5729.

The membership of "forfeit club" has increased from eight last month to nine as of January 20, 1969. The latest entry is ANL Pawns with 2 points for the start.

On page 6 of this bulletin you will find up-to-date league rating. Any questions about rating should be directed to Jim Warren. His work telephone number is 494-5380.

I would like to call everyone's attention to problem #10, whether you are in problem solving contest or not. I worked on this problem intermittently for more than ten years. Finally I gave up (because I thought that there is probably a mistake in it) and I wrote a letter to Mr. Rashevsky. He was kind enough to send me the answer. I wonder how many of you will accept this challenge and come up with a correct solution?

In conclusion, I would like to remind you about 1969 Greater Chicago Open which will be held at Sherman House on March 15-16 and March 22-23. If you really want to improve your game, that is the place to do it!

Good luck!!!
