The winner of the Greater Chicago Open is Master Richard Verber. Our league was represented by eleven players. This time we did pretty good. Jim Warren finished first in class A, Nik Goncharoff tied for first in class B. Complete information is printed on page 9 of this bulletin.

Answers to problem 10 arrived and four of them were correct. Congratulation to following players: Jim Bingle, Hal Feder, George Kral and E. Strabac. It shows, that I Should not have waited ten years with this problem.

DON'T FORGET THE LEAGUE BANQUET!!! Start planning early. Walter Elliott and Alex Pehas already made the necessary arrangements. It will be on Friday, June 20, 1969 at the OLD PRAGUE, 5928 Cermak in Cicero. The price \$4.50 per person includes tip and tax. Beef-Pork-Chicken is the menu for the evening. Trophy awards, 7-minute speed chess, cash prizes are guaranteed to all those that played in at least one league match for the past season (extra boards included).

During the last month there were 12 forfeit games shared by four teams. The situation is intolerable. Especially in the light of the fact that three clubs are ready and waiting to join our league. One of those clubs is Bell Telephone Laboratory in Naperville, Illinois. According to Mr. Ray Alexis, who is in charge of the Bell Lab Chess Club, their membership is approaching eighty!!!! On April 17, 1969 there will be a trial match of ten boards between Bell Lab and Motorola at Motorola. We are looking forward to it.

In conclusion I would like to wish all of you a HAPPY EASTER!
