On May 1, 1969 there was a second trial match for Bell Tel. Lab. team. This time their opponents were two combined Western Electric teams. Out of ten possible points, Bell Lab. managed to get 3½ points. Congratulations!!!

CICL Standings on page 2 of this bulletin indicates that the first place trophy this year will go to Western Electric. But the second place trophy is still under a big question mark. Two weeks ago it looked as if it would go to Motorola. But it was two weeks ago-- before 1st National Bank pulled the rug from under the Motorola team's feet, in a big upset of the year. Now it looks as if there will be a three-way tie for the second place. The candidates are: Motorola, Teletype, and ANL Knights. Let the best team win.

I would like to ask every team captain to let me know by Friday, June 14, 1969, the names of the players who plan to attend the League Banquet on June 20, 1969 (at the OLD PRAGUE, 5928 Cermak, in Cicero-- the price \$4.50 per person includes tip and tax). Besides dinner, trophy awards, 7-minute speed chess, and cash prizes, there will be an election of the League officers for the next season. There is still plenty of time to come up with several good candidates. (Note: I will accept the nomination for second term only, if Jim Warren agrees to help me the same way he did during the past season.)

This year there will be three first place winners of the problem-solving contest. Each of them will get a first place trophy. For details, see page 5 of this bulletin.

HOPE TO SEE YOU AT THE BANQUET FRIDAY, JUNE 20, 1969!
