Vol. XIII

February, 23, 1970

No. 6

Editor & Publisher: Nick Goncharoff- Motorola, Inc.
9401 W. Grand Ave.

NA 5-6000 Ex. 2230

Problems: James Warren- 5333 Woodland Ave.
Western Springs, Ill. 60558

Page two of this bulletin indicates that the AFI Knights are leading the eight-man division with a score of 7-1. The Chicago Title & Trust Co. continues to lead the four-man division with a nice score of 5-0. Congratulations to both teams for good work.

Page five of this bulletin indicates that the problem solving contest ~~indicates that the problem-solving~~ contest participants are giving up-- only nine out of the original twenty-five continue to send in answers. No answers-- no names in the standings column.

Acting Chairman of four-man division, Jim Bretser, recently changed his job. Now he works for De Soto, Inc.. His new telephone number is: 296-6511 Ex. 237. Ray Lauth, the Illinois Bell Telephone team captain, also changed his telephone number (apparently it is easy to do when you work for the telephone company); Ray's new number is: 727-7158.

If you look at page 7 of this bulletin, you will find that your chairman finally managed to get on CIOI BIG TEN, place ten. Congratulations!

It came to my attention that during some league matches there were few misunderstandings. In one case there was kibitzing during the match, in another case a player refused to play using a clock, in third case one player made an illegal move, etc... I want to remind the team captains that it is their duty to solve these problems on the spot in a friendly manner, using common sense. Don't forget that we play chess for fun and enjoyment.
