---

The place vacated by Reuland "B" (McLroce Park) was filled by Sears Roebuck Co. Team. The Sears' Team was organized and is led by young Elaine Etzkin.

Apparently the four-man team idea appeals to many companies. Here is a list of companies who may decide to join the League next season: Southern Pacific Railroad, Hyde Park H. S. Faculty, Portland Cement Association, Allic Chalmers, International Harvester, Honeywell, Inc., Kline Mfg. Co., Coleman Instruments.

Jerry Kosang is the new captain of Charles Bruning Co. His extension is 233. Bernard Panchl (Ext. 011) is the new captain of Bell & Howell Co. Also, Tom West (Ext. 2481) is the new captain of the Sarwin-Williams Co.

Attention, four-man division: Your results of last month did not arrive on time for Bulletin #5-- they will be printed in Bulletin #6.

After serving six years as a Chess Problems' Chairman, Jim Warren decided to retire and let somebody else take over the problems next season. I wonder, who will volunteer for the job first? Will it be Walter Elliott, Jim Bingle, Joe Newark, or somebody else? Let me know, gentlemen. Remember: "First come, first served".

I was informed, that the Cashiers Chess Club at Michigan City, Indiana is interested to have a match with our league. Jim Warren will lead our team, if we have at least eight volunteers. Volunteers don't have to be top boards' players. Those who are interested contact Jim Warren or Nik Goncharoff.

In conclusion, I would like to remind you about 1970 Greater Chicago Open which will be held at the YMCA Hotel, 826 S. Wabash, in the Loop on April 19-19, 25-26. Somebody miscalculated the date, April 20, 1970 is Greek-Orthodox Easter and I will not be able to play this time.

Schedule Change

Unfortunately, the chess team at Rauland 'B' (Melrose Park) failed to get their management's permission to hold chess matches on the premises and the valiant attempt to enter team competition failed. Their entry fee was returned in October. We hope to see these players in League competition next year. Meanwhile, a team has been formed and entered by young Elaine Etzkin at Sears Roebuck in Skokie. Most of the team originates in the computer programming department.

Please note the changes on the enclosed, revised playing schedule and directory. Team captains should make every effort to cooperate with the new Sears team as they try to "catch up" in the schedule.

Incidentally, Andy Bartoli and Jim Brotsos have been replaced as team captains by Bernie Fanchi and Tom West, respectively. Jim will continue to function as Acting Chairman of the Small Team Division.

Potential C. I. C. L. Teams

During the last 4 months a number of inquiries were made by industrial chess leaders with varying degrees of interest in joining the League. For the record, they are listed below as fine prospects for entrance into the C. I. C. L. next year.
