### If It's Tuesday, This Must Be ...

Your first issue of the 1974-75 Bulletin met with some unforeseen delays. Please accept our apologies. We still plan to publish ten issues this league year. With each succeeding issue, we will try to move up the publication date, until eventually you will receive your monthly Bulletin in the right months.

Hopefully, you have already noticed that the first issue was quite long. A lot of people had a lot of things to say. The current issue is on the thin side. Chess players with nothing to say! I don't believe it!

Your editor has been known to contribute seriously to the paper shortage when the mood strikes him. A sure cure for this is for each of you to contribute a short item sometime during the year. But don't wait for the last issue. Send material now. My phone number and address are at the top of this page.

### Remember to Circulate the Bulletin - John Greczek

One of the Captain's duties, promptly on receiving the Bulletin, is to circulate or make copies of it for all his people.

The Captain is normally the person who is on the mailing list. However, if somebody else in the Club should receive the Bulletin, please notify Lee Sheridan, Bulletin Editor. Lee is presently using a provisional mailing list which we will shortly update and finalize, depending among others on which Clubs have sent in their subscriptions to Gary Benson, C.I.C.L. Treasurer.

### R 27/c: A New Chess Magazine - John Greczek

A non-profit weekly chess magazine called R 27/c will be published for the Northern Illinois - Southern Wisconsin chess players.

Each issue will be at least 10 pages and will contain 7 sections: games, end game, opening, tournament reports (local, national, international), future tournaments, editorials and other news sections.

The I.C.B. went out of business recently leaving Illinois with no state publication - so R 27/c aims to fill the gap.

The quarterly price is \$3 plus \$.50 for mailing. If you are interested and would like to support the new publication, send your check to:

R 27/c  
4411 Dunbar Place  
Rockford, IL 61111

### USCF Raises Dues

As of January 1, 1975, membership in the United States Chess Federation will cost you \$15 per year. As noted in last month's Bulletin, you can join the USCF by sending your \$8 check (made out to USCF), name and address to Dr. Charles Ward, Building 362, Argonne National Laboratory, Argonne, IL 60439. The \$8 dues reflect a 20 percent discount for CICL members. After January 1, your cost will be \$12.

This Motorola win over W.E. Gambiteers seems to have stirred the league "grapevine". W.E. players were heard to comment, "Gee, you guys really loaded up for this match." Bell Labs added, "We would like to postpone our intended match for one more week!"

#### Loop and South Sections - Terry Andresen

The CICL lost its only USCF rated master when Art Wang left the First National Bank for the Phillipines last year. The CICL's next master may be Sears' latest requisition, Ruben Reyes, who comes from the Phillipines. As evidence of his strength is this recent win over senior master Andrew Karklins in the Illinois State Championship Tournament.

Problems - Newman Guttman

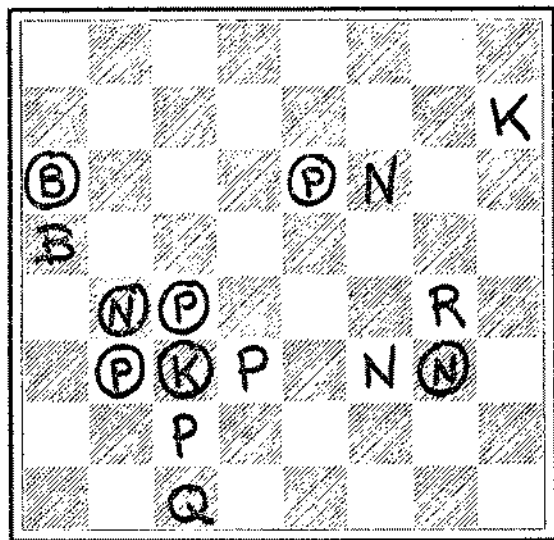

(Editor's Note: Because of delays in publication of the first CIGL Bulletin, we are extending the deadline for Problem No. 1 to December 23, 1974.)

Too early for solvers' scores. For the record, last year's winners were, in order: Jim Warren, D. Wilson and C. Buckner.

Hint for both No. 2 and No. 3: Before looking for the key, examine the "set" responses available for most of the black moves.

Deadline: January 2, 1975
