# senior division report...by rick shaff

The position round had quite an effect on the standings in both sections. However, the Dragons remained undefeated and untied and went on to win round 7. At this rate they will clinch the trophy soon. The Indians will face the Dragons and Rooks next to see if they really deserve second spot in the standings. In the "B" section, the Chargers fell in Round 6 and came right back to put away the Kingsmen in Round 7; 5 - 2 with 1 adjourned, (probably 5 - 3). The Bishops tie for first with victories in the 6th and 7th Rounds.

## All Star Match

Team captains are urged to contact their players over 1700 to determine interest in the New York telephone match on February 28th and the All Star Match on April 15th. Please get the information to Rick Shaff. Also, review team rosters as reported in Bulletin # 5 and report corrections to the chairman. Finally, Greg Berry volunteered to captain the Senior Division in the All Star Match, and it will be held in the Western suburbs if no Loop teams volunteer to host it.

## GICL vs. COLNY

The telephone match between our league and the Commercial Chess League of New York is scheduled for February 28, 1976 at the Amoco Research Center. For further information please contact Jim Zechinati, 420-5556.

## Tornado Hits Chicago Area

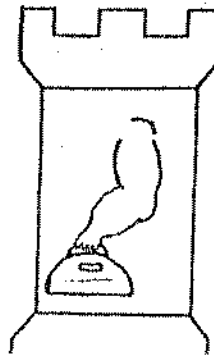

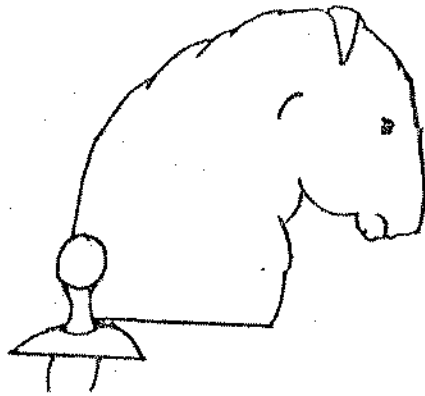

Don't be alarmed, it's not a real wind storm but our very own Industrial League Tornado. This popular event is scheduled for May 22, 1976 at the Leaning Tower Y, 6300 W. Touhy in Niles. If you would like to help with the preparations or just want to play, contact Jim Brotsos, 399-3000 ext. 435, weekdays.

## Sign of the Times

All too often we read in the news that this country is in a recession. Well, now it has really hit close to us all. The Motorola Chess Club has informed us that they no longer will be able to furnish a nice hot meal to visiting teams. This tradition has been going on since Motorola became a part of the GICL back in 1957.

FOR IMMEDIATE RELEASE

The National Chess League began play last night, with 8 of its 9 teams competing in 6-board telephone matches. The League, which will establish a national cities champion for the first time, is also the first telephone chess league in the world.

In opening night play, everything ran smoothly in 3 of the 4 matches as Boston edged Cleveland 3½-2½, Chicago beat Houston 4½-1½, and San Francisco upset Los Angeles 3½-2½. The New York-Miami match, though, was bogged down with disputes and transmission errors and was abandoned by Miami with New York leading 1½-½; the captains hope to resolve the match through adjudication or settlement.

Boston came from behind, winning its last 3 games to beat Cleveland. On top board, International Master Norman Weinstein of Boston drew with Senior Master Milan Vukceвич of Cleveland. David Strauss, Leslie Leow, and Dan Harrington won for Boston; Cleveland winners were Dumitru Ghizdavu and Robert Burns.

Chicago scored an expected triumph over Houston, winning 3 games and drawing 3. Ed Formanek, David Presser, and Andrew Karklins were Chicago winners.

Playing without several top stars, San Francisco surprised a Los Angeles team that was higher rated on every board. A key upset was the win by Master C. Bill Jones over International Master Anthony Saidy. Peter Cleghorn also won for San Francisco; the only L.A. win was scored by Allan Pollard.

In the New York-Miami match, a heated dispute arose over the first board game, in which Grandmaster Robert Byrne of New York faced International Master Arnold Denker of Miami. Byrne's flag fell on the 38th move, but the Director ruled "no forfeit" due to a defective clock on which the flag had fallen prematurely. Telephone contact was broken to allow Miami to appeal to USCF Technical Director Martin Morrison, after which New York phoned Miami repeatedly to encounter first a busy signal and then a janitor saying the Miami team had left. In the match, 16-year old Ken Regan had won for New York; Sal Matera and Julio Kaplan have easily won positions so New York should win the match, but the final score is in doubt.

*Greg De Fotis will probably be joining us  
for our match against Cleveland Feb. 11th.

# members games

The following game was played in an important match between the Sears "A" and Sears "B" teams. This game is instructive insomuch as it illustrates how a player facing a material disadvantage can by perseverance turn a "lost" game into a win.

## North - West Sections

As a reminder to all team captains, ratings are computed for matches by the date that the score sheets are received, not by the date that the matches are played. Please send the score sheets in the day after the match. Some of you are several weeks late!

In the West, it looks like Zenith Raulands is gaining momentum for the 2nd half as they have yet to lose a match. The North is still a 3 team race with EXcaliburs, Teletype, and Zenith Niles all fighting for the honors. Sara Lee could play the role of the spoiler, with 3 draws and 1 win in their last four matches. Against Teletype they had an impressive 4 - 2 score.

## Business Meeting News

There will be a business meeting on March 19, 1976 at the Amoco Research Lab. These business meetings, in the past, did not seem to draw many participants and that is tragic. The meetings are not scheduled very often but do provide a means by which the league can function. I hope that all the team captains will make an honest effort to be at the meeting. If you cannot come to the meeting, then please give your proxy to another member or captain who will attend. Listed below are a number of items to be discussed at the meeting, as suggested by Jim Brotsos :

1. 20th Anniversary celebration
2. New teams to pay bond and initiation fee.
3. Sponser Swiss Tournament.
4. Sponser team for National Team Championship Tournament
5. Naming tournaments after key leaders in CIGL
6. Raising team dues
