Adventures of the passed pawn

The seasonal records for unrated or newly rated players may "appear" to be incorrect. This is so because actual percentage performance is required to compute an initial rating. For players rated last season or before, the seasonal record should be correct and up to date for games reported up to and including this bulletin. Games between two unrated players are not recorded at all.

Please help your rating chairman! Note your player number - use it always. -
Captains: Keep a list of your team's player numbers - use them always. Any new player who does not have a number - please note, if and when the person has played in the CIGL before or in the USCF. Prior CIGL rating takes precedence over a USCF rating. Also, on new players, carefully print names and use both initials- we will soon have name conflicts - if I don't have different initials I will have to intentionally misspell last names! Also, team captains, please notify your division chairman if there are any errors in team rosters. Division chairmen please contact me with any changes.

Knight in Shining Armor Award

If we truly had such an award it would have to go to a person whose selfless acts are a mark of a great human being, both during a chess match and more importantly after the match in the real world. I think we have these types of people in the CICL and to illustrate this I would like to relate a story as it was told to me.

It all started one night when the ANL teams were hosting a double match. The ANL Pawns were playing the WE Kingsmen and the ANL Knights were playing the Motorola team. Well, after the matches everyone left to go home but something happened to one of the members of the Motorola team - his car failed to keep running. Now, everyone knows how late some of these matches run and how the players want to get home for at least a few hours sleep. Imagine yourself out on a dark and lonely road when your car quits, all of a sudden you get a sick feeling, like you may not get home all night at all. Then, along comes another car and you start to feel a little better when you realize that help has arrived. Just such an incident did occur that night between two members of rival teams, and without hesitation Gabe Dragel of the Knights helped out a fellow human being. I would like to take this opportunity to thank Gabe for being there when help was needed. Thank You, Gabe.

junior division report...by Terry and Jensen

Loop and South Sections

I have been notified that Howe Development is withdrawing from the CIGL, therefore R.R.D. "A" and Chicago Metallc receive 4 - 0 forfeit victories.

Jerry Matthews at C.T.A. can be reached at 224-9722(W) or 783-1522(H).

Congratulations to Ed Gestalu for his victory over John Dunworth to pace 1st National to a draw against C.T.I.; to C.P.C. Int'l for their draw against a strong Continental Can team; to R.R.D. "B" for their $2\frac{1}{2}$ - $1\frac{1}{2}$ victory against a strong Sherwin Williams team.

NOTICE: To insure an accurate rating for each player, it is the responsibility of the team captain to have each player's player # on all match result forms.

junior division report...by ned anderson

North - West Sections

A practice match was played by Zenith Niles and Zenith Rauland. Zenith Niles won $2\frac{1}{2}$ - $1\frac{1}{2}$. In that match both teams were sparring with what could be their starting line ups for the play offs, should they both win their sections. Ron Schulman and Steve Karlovics drew their game. Winners were Miller and Agpawa from Niles and Tomlinson from Rauland.

Junior Division Play Off Schedule

There has been a great deal of discussion on which teams should be eligible for the playoffs this year. The biggest problem being how to pick 8 teams from 5 sections. The fifth section was formed when the Central section divided into a strong and a weak section. As luck would have it, two teams dropped out from the weak section giving them only 4 teams. Many suggested playoff arrangements have been discussed and they are too numerous to mention in this bulletin. The chosen arrangement is what Terry and myself believe to be the most fair to all teams and in the best interest of the game. Ten teams will be in the play offs. Two teams from each of the North, West, South, Central "A" sections and one team from the Central "B" section. A tenth team will be selected from the best third place finisher of the North, West, South, or Central "A" section based on winning percentage. A three round swiss will be held with the tie breakers being determined by winning percentage, total points, and match score against tied teams in that order, average winning percentage of opponents. If a tie still exists a coin will be tossed. Ten trophies will be given out, but they will be a bit smaller than normal.

All teams are urged to have all their games completed by April 9th so that the play off schedule can be started on time.

What is it? Is it a new type of missile that the army has or are the Russians arming up against us? Actually, the initials ICB stand for Illinois Chess Bulletin and the reason we are mentioning this publication is to inform our readers of its existence. I think that every member of the CIGL would be interested in the spring issue of the ICB for it features an article about our league. members games

I had the delightful experience of attending the December 14 Tornado tournament at Northwestern University. The turnout was rather small at only 16 players. This was partially due to the 5 round weekend hex in the next room with around 30 players. My $3\frac{1}{2}$ points was enough for the first place prize. Of particular interest was that the pace was 40 moves in 60 minutes. This is the new rate suggested for our own tornado in May. I like it for the simple reason that the tournament can be finished two full hours earlier than normal. My decisive win came in the 3rd round. Both my partner and myself were in time trouble from move 20 till the end of the game. Here is how the game went.

A Tornado is Coming

As we go to print no definite date has been set for the Tornado but May 15, looks like a possibility. Jim Brotsos is in charge and he said that we are going to have this popular event again this year. So, watch for announcements in future issues for the complete info.

As the first half of the season draws to a close, the Indian Hill Dragons hold an unblemished record and a convincing lead in the "A" section. It seems, however that the second place spot will be hotly contested. In the "B" section, only the Chargers of Western Electric remain undefeated but they are just a half match point in front of the Kingsmen.

Team captains note: Carrol Richey replaces captain Gary Vondrasek on the Kingsmen, his extension is 3693 and department 1311. John McAnany of the Chessnuts is replaced by Captain Jerry Jones (phone 3757, room 4L415). We wish John well at ITT and hope to see the ITT team return to the Senior Division next fall with his help. Joe Brozovich is now at 690-2969, Room 2A201 at Indian Hill.

A question came to me before Christmas that may need an explanation in the bulletin. Round 12 is played between the 1st and 2nd place teams only if they are tied on match points. Other teams are encouraged to play exhibition matches for CIGL experience during this round. As usual, playoffs between teams contending for a trophy are necessary if match points are tied. The order in which results are applied in awarding a trophy are: match points, play off, season record between the contending teams, and finally game points.

Year-Endgame '75

That was the title of the event held in Lombard, Ill. on December 27, 1975. The tourney was advertised in the CL&R, Dec. issue. I decided that this would be a good event for me because of several reasons: 1) Because it was closer to my home than Chicago, i.e. I live in Aurora. 2) the entrance fee was a very reasonable \$3.00 in advance and \$4.00 at the door. 3) The event was going to be only one day long. 4) Finally, because I felt the turnout would be small and I would have better chances of winning a prize, i.e., Chicago tourneys usually have 100+ participants.

Well, I was really surprised by what I found at the playing site, pleasantly surprised I should say. First, it was no trouble traveling to Lombard and the parking was more than adequate. Second, the playing hall was very comfortable, well lit and had plenty of playing room for every player. Speaking of players, this event just happened to prove me wrong about suburban tournaments. The turnout was 82 players strong. By now you must be wondering why I should devote space, in the CIGL Bulletin, to a tourney played under the auspices of the USCF? The answer is simple, four of our CIGL members took part in this tourney and one player won a prize, and that to me is news. The four players were Steve Karlovics (Zenith-Rauland), Frank Leben (R.R. Donnelly "B"), Nik Goncharoff (Motorola), and myself, Paul Weston (WE Kingsmen).

I would like to take the time here to say that this tourney was run very well. The organizers tried and I think succeeded in establishing a tournament for the benefit of the players, not just for the sponsoring club. They had food available at a reasonable price. They had the playing conditions comfortable, i.e. not too hot or cold and the availability of toilets was convenient. Also, they made the pairings with the least amount of player help. The TD and his staff retired to a private room so no outside influence could sway their judgement. All in all I really enjoyed myself and I hope to participate in their next tournament. The next tournament that the Lilac Town Chess Club will sponsor is on March 13, 1976; watch for the announcement in CL&R and our CIGL Bulletin.
