## Senior Division News -- Rick Shaff

We are all set to witness an exciting season beginning September 2nd. Teams have been added and subtracted, and personnel have been shifted, to a degree where it's anybody's guess as to who walks away with the trophies next June. I think everyone will enjoy the competition regardless of their finishing spot.

Jim Brotsos is trying to get enough alumni together to join the "A" section. We hope he can, if so I will have a revised schedule for "A" section shortly. If Jim indicates readiness I will phone a poll of team captains on their admission.

Do get your team dues in to Gary Benson as soon as possible.

Have a good season.

## News Flash -- Rick Shaff

As of 9-9-75 Jim Brotsos stated that he was having no luck organizing the alumni team. It will be an unreal season without Jim playing on some team.

President's Report -- Irv Rosenfeld

The new season is scheduled to get under way on September 15th.

League members who have volunteered to take a more active part in the continuing success of the League include Paul Weston, Publicity Chairman, Gary Benson and Dick Marsellos, Committee for ATT vs. League and Rick Shaff on the Committee for Sr. vs. Jr. Divisions.

We still have many positions open. We would like to see those players who have not been active take a more active approach to the League. If interested, contact me at 346-3282 ext. 24.

Positions still available are:

Tornado Tournament Committee  
Speed Chess Tournament Committee  
Banquet Committee  
Telephone Match Committee  
Nominating Committee  
Awards Committee  
Entertainment Committee, and  
20-year Celebration Committee.

The League only fears the lack of volunteers.

North-West Sections -- Ned Anderson

The new season brings with it many changes for the North and West sections of the junior division. In an effort to balance the team distribution, Montgomery Wards and Sun Times will return to the Central section. Geographically they should play there anyway. Zenith-Kostner will transfer from the North to the West section, giving the West two Zenith teams. Maybe they can spur some rivalry with the three Sears teams downtown.

One division's loss is another division's gain. I'm referring to our only new team this year, ITT. They come to us from the Senior "B" Division and will play in the West.

Now for the sad news. Curtiss Candy has withdrawn from the league. Jim Brown said that he had only four players and felt that they couldn't sustain a team. A big loss in the North is the Austin team; first in their division last year. Radovin Pejovic stated that due to transfers and departures there were too few players left. The Honeywell team folded at the tail end of last season. Teletype and Signode have both decided to pool their strengths and have only one team each this year instead of the customary two teams each. As of this writing Sara Lee has not mustered together a team and quite possibly will have to drop out.

With all the teams dropping from the League there should be some strong Alumni teams this year. Many good players are bouncing around yet none of them care to be a team captain. Therefore, we still don't have an Alumni team. If anyone knows or hears of someone who would like to volunteer for this position please give me a call.

Procon has lead the West Section for as long as I can remember. They have ample players (good players too) for at least two teams, yet they stuttered when trying to organize just one team this year. Could it be that they are getting tired of winning! Do you hear that all you West teams.

Here is how the teams look this year:

West

Zenith-Chicago  
 Rauland-M.P.  
 Zenith-Kostner  
 W.E.Kingsmen IV  
 I.T.T.  
 Procon  
 AMOCO\*

North

Signode  
 A.B.Dick  
 Teletype  
 Zenith-Niles  
 Alumni (?)  
 Sara Lee (?)

Preseason favorites in the North are Teletype and Zenith-Niles with chances for Signode if they return to form. In the West, it looks like Procon for one more year. The strength of ITT is unknown.

\*Ed's Note: AMOCO has indicated to me that they are going to have a team in the Junior Division this year; I would assume they would play in the West, if indeed they enter this division.

South and Loop Section News --- Terry Andresen

Well, something new is in store for the Loop section this year, namely a power split. It has been decided to make the Loop section into two sections, i.e. "Loop A" and "Loop B", the stronger teams are in the Loop A section.

We have two new teams in the division as well as two teams moving over from the West section. I would like to welcome the Howe Development team to the South section and the Turner Construction team to the Loop "B" section. Welcome and good luck.

A point of interest; the combined Sears teams have accepted a challenge to play a ten board simultaneous exhibition against Illinois Bell Telephone of the Senior Division "A" section. The Exhibition to be played later in the season; results will be available at that time.

Editor's Comments --- Paul E. Weston

On behalf of my staff and myself I would like to welcome everyone to a new season in the Chicago Industrial Chess League. I hope that everyone read the President's Report because it is very important to have volunteers to run things in our league.

We are starting a new season and with it a new format will be instituted in the bulletin. I hope this new look will please everyone. We intend to bring you all the results of the league play and in addition we hope to bring you interesting articles, puzzles, problems, anecdotes, cartoons, and individual game scores from as many team members as possible. I also would like to create a "Swap-n-Shop" column for the members wishing to swap, sell or buy items pertaining to the chess world.

I hope the new season brings every member a winning season. If anyone has anything they would like to share with our readers please send it to me and I will do my best to have it included in the following issue of the bulletin. Send your comments or articles to:
