

President's Report

The result of the telephone match with the New York Industrial Chess League is still in doubt. Of the seven games completed, NYICL won four and we won three. The remaining two games are incomplete and will be adjudicated by International Master Andrew Soltis.

I believe we have a good chance of getting $1\frac{1}{2}$ points from these two unfinished games. In that event, the match will be tied and will be decided by the nonclock game played between the NYICL president and myself as we transmitted and received moves for the other games. In that case, the CICL will win the match. The final result will be reported in next month's bulletin. Scores of some of the games appear in this issue.

I would like to thank Mike Dee for hosting the match and for providing coffee. I would also like to thank Stephen and David Berry for the good job they did as runners.

Deadlines for ratings, bulletin

The deadline for submissions to next month's bulletin -- games, chairmen's reports, match results, letters, etc. -- is April 12. Anything received after that date will appear in the following issue.

Deadline for division chairmen to get match results to Terry Andresen is the first of each month. That will give him time to include the results in the ratings list and get the list to the bulletin in time for the next issue.

President's report ...

(Continued from first page.)

A word of explanation is needed regarding the result on board nine. When Mike Dee submitted his 20th move, he neglected to include the time elapsed. A request was made for him to indicate the time used. To paraphrase his reply, he shouted, "It doesn't matter. Put down 30 minutes. Put down anything." Upon hearing this statement over the open phone lines, New York immediately protested. To add to the confusion, I had noticed that Mike's clock had not been running while he was pondering an earlier move. I had no recourse but to forfeit the game.

I would like to thank all the players who participated in the match. Let's hope this will be our first victory over NYICL. Here are the results on the individual boards (ratings are in parentheses):

CICL v. NYICL

1. Roy Benedek (2225) v. Terry Zucker (1903), adjourned.
2. Rueben Reyes (2224) defeated Richy Fireman (1814)
3. David Streets (2122) defeated Greg Lodge (1760)
4. Charles Young (1915) lost to Ed Stack (1740)
5. Roman Golla (1871) v. Rory Valle (1736), adjourned.
6. Terry Andresen (1842) defeated Bill Foote (1700)
7. Wes Underwood (1773) lost to Carmen Centuori (1685)
8. George Dobbins (1727) lost to Mike Rivera (1614)
9. Michael Dee (1384) lost to Richard Weaver (1603)
10. Greg Berry (1911) defeated Fred Konopko (1756)

BUSINESS MEETING

Our next business meeting will be on Tuesday, April 18, 1978, at 7 p.m. The meeting will be at Amoco Research Center on Warrenville Road in Naperville.

Jim Brotsos solicited nominations for next year's officers. I would like to thank him for his efforts. The nominees are: Jim Sobun, BTL, for president; Charles Ward, Argonne, for secretary; Doug Anderson, BTL, for treasurer; Joe Brozovich, Western Electric, for Far West Division chairman; Mike Dee, Amoco, for Near West chairman; Tom Gaffigan, First National Bank, for East Division chairman; and Gee Leong, Kemper Insurance, and Lee Stensaker, Signode, for North Division chairman.

Besides voting on next years officers, we will vote on a banquet assessment and discuss a proposal to readjust our ratings to bring them more in line with USCF ratings.

STATUS OF CHAIRMEN

Vern Stamm will be this year's banquet chairman. The banquet will be held on June 23.

Steve Decman will organize and direct this year's Industrial Tornado. The date will be May 20 in Romeoville. (See the full-page announcement elsewhere in this issue. -- Ed.)

I still need a trophy chairman and a volunteer to run the speed-chess tournament at the banquet. Persons willing to help should call me at (312) 972-6160

Division reports

FAR WEST DIVISION -- JOE BROZOVICH

In the interdivisional position rounds, each team captain should send the results to his own division chairman. Far West captains, please use my new room number on all correspondence: Room 6C314. Also note that there is a new phone number for Jim Sobun, captain of the BTL Dragons: (312) 690-5552.

The following pairings are based on the current standings in the Far West Division. The first three positions can change only if Wheaton beats BTL's Dragons 6 to 0 in round eight. Since BTL has lost only one match all year (4 to 2 against Wheaton), a shutout seems unlikely. Wheaton plays Bell on March 14, so the results should be known before interdivisional play begins.

Here are the interdivisional schedules for the Far West and Near West divisions:

ROUND 9

Near West -- Home team Far West -- Visitors

WE Chargers	BTL Dragons
Argonne Knights	Wheaton Crusaders
BTL Royals	Argonne Pawns
WesCom	Argonne Rooks
Argonne Monarchs	WE Kingsmen
CPC International	WE Montgomery
Zenith-Rauland	Argonne Bishops
Int'l Harvester	Amoco

ROUND 10

Far West -- Home team Near West -- Visitors

Argonne Pawns	WE Chargers
BTL Dragons	Argonne Knights
WE Kingsmen	BTL Royals
Wheaton Crusaders	WesCom
Argonne Bishops	Argonne Monarchs
Argonne Rooks	CPC International
Amoco	Zenith-Rauland
WE Montgomery	Int'l Harvester

Round 9 should be completed by March 31. Round 10 should be finished by April 21.

NORTH DIVISION -- LEE STENSAKER

Team captains please note that Nick Goncharoff of Motorola has a new phone number and address: Nick Goncharoff, Motorola Data Products, 455 E. North Ave., Carol Stream, IL 60187. (312) 690-1400, ext. 297.

Prison team seeks matches

The Stateville Correctional Center wants to arrange chess matches with teams in the CICL. Stateville has an active chess program with more than 30 regular players.

Last month, David Streets (CICL rating 2150) of Argonne played 19 boards in a simultaneous exhibition at Stateville. He won 10, drew four and lost five. In recent years, Stateville has played Argonne three times and defeated the laboratory twice. All this attests to the high quality of chess played by Stateville residents.

Stateville is located on Route 53 about five miles south of Old Chicago Amusement Park. Matches must be played in the Stateville visiting room and can be scheduled on Tuesday or Thursday evenings or Sunday afternoons. For further information, call Jesse Vail, Stateville director of recreation, (815) 727-3607.

CICL Bulletin, Vol XXI, No. 7, p. 6: The score of board 6 in the Argonne Monarchs vs. Zenith-Rauland match reads: 6. W. Frost - J. Roelke. It should read: 6. W. Frost + J. Roelke.

We need games

Yes, the Chicago Industrial Chess League Bulletin needs games -- copies of your league games to publish. Instructive games and entertaining games. Close games where you systematically squeezed victory out of an infinitesimal advantage, and wild games where you stole victory from the jaws of defeat because your opponent played like a patzer.

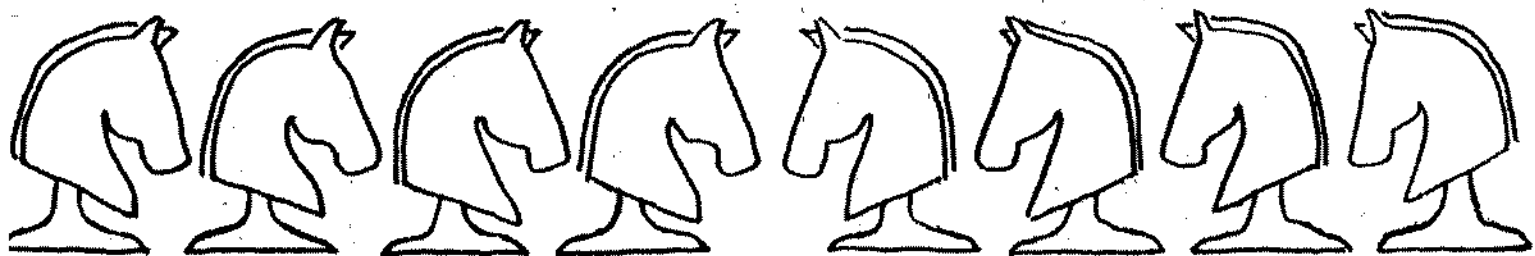

We need annotated games and unannotated games, but we will publish the annotated ones first. Submissions do not need to be typewritten, just legible. And if you annotate a game, please tell us who you are so we can give you credit for your notes.

Send submissions to: David Baurac, Editor, CICL Bulletin, 7517 Country Lane South, Darien, Ill. 60559.

Ratings

At last year's league banquet, six new members were installed in the Century Club, a small group comprising only those league members who have played in 100 of more league games. The six new members are George Dobbins of R.R. Donnelley, Jerry Fajkus of Western Electric, Phil Greenspan of Motorola, Steve Schwartz of Sears, and Ewald Veleckis and Charlie Ward, both of Argonne.

ENGLISH OPENING

J. Gibbs, First National Bank -- P. Kolenda, Harza Engineering

Notes by the winner.

The game is a typical example of how positional errors in the opening can lead to quick destruction. Even though Black makes no outright blunders, he never has a chance to get his pieces out of the box.

- 1. P-QB4 P-K4
- 2. N-QB3 N-KB3
- 3. P-KN3 P-Q4
- 4. PxP NxP

White is playing the Dragon Variation of the Sicilian Defense with the colors reversed.

- 5. B-N2 NxN?

Black trades off his only active piece, brings White's knight deeper into the center and opens the QN-file for White's R. Much better are 5. ... B-K3 or ... P-QB3.

- 6. NPxN P-QB3
- 7. R-N1

Seizing the file and putting heavy pressure on Black's Q-side pawns.

- 7. ... P-QN3

The wrong idea, creating new Q-side weaknesses and putting Black further behind in development. *Moves pieces, not pawns, in the opening.*

- 8. Q-B2 B-N2
- 9. N-B3 Q-B2

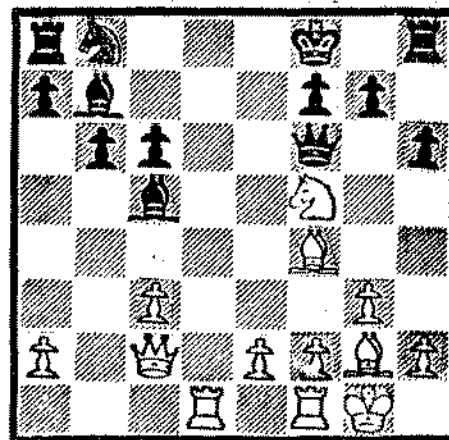

10. O-O
 Safety for His Majesty before starting center action.

- 10. ... P-KR3?

A wasted move which creates a critical lag in development.

- 11. P-Q4 PxP
- 12. NxP!

Keeping the Q-file open for the heavy pieces. Now all White's pieces spring to life. *When ahead in devel-*

12. ... B-B4

No good moves are to be found.

Black's position is already hopeless.

13. N-B5

Putting tremendous pressure on the Black K-side and seizing control of the vital Q6 square.

13. ... K-B1

Better is 13. ... 0-0.
