

## President's Report

The CICL put on a simultaneous chess exhibition at the Fox Valley shopping mall on February 11 and 12. The exhibition was part of the hobby show at the mall. At most times, the 17 boards were filled with players trying to defeat our league players. (Accurate records were not kept, but based on conversations with most of the five players who manned boards for the CICL, the league's record during the exhibitions was approximately 150 wins and five losses. -- Ed.) So far, I have received one inquiry about

our league as a result of the exhibition. I would like to thank Dave Bau-rac, Joe Brozovich, Mike Dee, Dwight Kucera, Lou Parker, Bill Walsh, Jim

## **Deadlines for ratings, bulletin**

The deadline for submissions to next month's bulletin -- games, chairmen's reports, match results, letter, etc. -- is March 15. Anything received after that date will appear in the following issue.

Deadline for division chairmen to get match results to Terry Andresen is the first of each month. That will give him time to include the results in the ratings list and get the list to the bulletin in time for the next issue.

# Like to hold League office?

Dear Fellow Chess Club Captains,

The time has again come when the Chicago Industrial Chess League has to consider next year's nominees for important positions within the league.

It is our hope that you can volunteer or name willing candidates for the positions of President of the League, Secretary, Treasurer, Chairman of the North Division, Bulletin Editor or membership of one of several committees to be named later.

It takes a good deal of organization and willingness to run a fairly complex organization like the CICL, and each of us who enjoys participation in

league activities has somewhat of an obligation to periodically assist in its administration. Please consider volunteering for one of these positions and poll your individual club members for additional volunteers.

Thank you very much for your assistance. Please contact me at Signode by phone or letter.

Sincerely,

L.A. Stensaker

The following letter of appreciation was received by Greg Berry after the event:

Dear Greg:

Now that the Photo and Hobby Expo is a pleasant memory at the mall, we want to thank you and your organization for participating in the event.

We noticed a lot of interest in

your chess exhibit and feel that you ran it very well. Will you please extend our thanks to all involved in the show.

I was here on Sunday but I am sorry I missed seeing you. Hope we can include you in next year's event. Thanks again!

# Division reports

## FAR WEST DIVISION -- JOE BROZOVICH

At the end of round six, the BTL Dragons were tied for first place with the Argonne Pawns. Both teams had 5-1-0 records. The Wheaton Crusaders, however, upset the Pawns in the first match completed in round seven. The Dragons must face the Argonne Rooks in round seven, and anything can happen there. So the final standings are anyone's guess.

Round eight, nine and 10 are position rounds, and any ties for positions, based on match results, will be broken in the following way: First, total game points will be considered. If both teams have the same number of game points, their records against each other will be considered. If this still results in a tie, the result on board one of their match will be used, followed by board two, board three, etc. Finally, if all boards were drawn in the match between the teams, a coin toss will determine the position each will occupy in the positional round pairings. If any teams are tied for first or second after 10 rounds, a playoff will determine which teams win trophies and advance to the postseason playoffs.

All teams will participate in the positional rounds eight, nine and 10. The schedule below shows the pairings for the interdivisional position rounds.

Round 9 Near West at home		Round 10 Far West at home	
<u>Near West</u>	<u>Far West</u>	<u>Far West</u>	<u>Near West</u>
First place	First place	First place	Second place
Second place	Third place	Second place	First place
Third place	Second place	Third place	Fourth place
Fourth place	Fifth place	Fourth place	Third place
Fifth Place	Fourth place	Fifth place	Sixth place
Sixth place	Seventh place	Sixth place	Fifth place
Seventh place	Sixth place	Seventh place	Eighth place
Eighth place	Eighth place	Eighth place	Seventh place

Here are pairings for the Far West Division's round eight position round:

Wheaton Crusaders at BTL Dragons  
WE Kingsmen at Argonne Pawns  
WE Montgomery at Argonne Rooks  
Amoco at Argonne Bishops

Argonne has just installed a new phone system. Here are the new telephone numbers for the Argonne team captains. Argonne Bishops: Jim Daley, 972-6147, or Jim Jackson, 972-5540. Argonne Pawns: Dave Green, 972-4355. Argonne Rooks: Jim Barhorst, 972-5017.

## EAST DIVISION -- TOM GAFFIGAN

Tyrone Billingsly has replaced Mike Downs as captain of the Illinois Bell Telephone B-team. Billingsly's telephone number is 876-8400.

Harza and Alumni Central have just about wrapped up the first two places in the division, barring a couple of upsets. The Alumni team, however, is not eligible for trophies or playoffs, so the second playoff slot is still wide open with five teams in the running.

## NEAR WEST DIVISION -- MIKE DEE

After seven rounds, the WE Chargers are far ahead of the pack, followed by the Argonne Knights, last year's CIOL champions, and the BTL Royals. From the start of the season, the Chargers have played with a determination to make the playoffs. After seven rounds, they have 34½ games points for an average score of nearly 5 to 1 in each match. It is hard to believe they can be stopped, but there are still three rounds to play and last minute surprises are always possible.

I must also mention that the other teams in the division are all playing very hard and the present ladder is only the result of greater experience. The newcomer in our division, WesCom, is a pleasant surprise, and an even greater surprise is the playing spirit of International Harvester, CPC International and Zenith-Rauland.

In order to find the best men to serve as next year's league officers, I am asking team captains to submit a written proposal of this matter after seriously evaluating interest, willingness and abilities of possible candidates. I must receive reports by March 21, 1978.

Argonne has just installed a new phone system. Here are the new telephone numbers for the Argonne team captains. Argonne Knights: George Kinsella, 972-7312. Argonne Monarchs: Ken Kellogg, 972-6340.

## We need games

Yes, the Chicago Industrial Chess League Bulletin needs games -- copies of your league games to publish. Instructive games and entertaining games. Close games where you systematically squeezed victory out of an infinitesimal advantage, and wild games where you stole victory from the jaws of defeat because your opponent played like a patzer.

We need annotated games and unannotated games, but we will publish the annotated ones first. Submissions do not need to be typewritten, just legible. And if you annotate a game, please tell us who you are so we can give you credit for your notes.

Send submissions to: David Baurac, Editor, CICL Bulletin, 7517 Country Lane South, Darien, Ill. 60559.

# Ratings

Ratings chairman Terry Andresen asks all new players who have USCF ratings to let him know what they are so he can insert them into the CIGL rating system. ## ENGLISH OPENING

L. Parker, WE Montgomery -- J. Jackson, Argonne Bishops

Notes by the winner.

- |        |     |
|--------|-----|
| 1. c4  | Nf6 |
| 2. Nc3 | g6  |
| 3. g3  | Bg7 |
| 4. Bg2 | O-O |
| 5. Nf3 | c5  |
| 6. O-O |     |

Hoping for 6. ... Nc6 to transpose into familiar lines. White has difficulty in finding the right plan after Black's next move.

- |        |     |
|--------|-----|
| 6. ... | d6  |
| 7. a3  | Bd7 |
| 8. h3  | Bc6 |
| 9. d3  | a5  |

Now that the tactical threats about e4 are eliminated, Black looks to the Q-side for counterplay, but White is well prepared to meet it.

- |          |      |
|----------|------|
| 10. Be3  | Qd7  |
| 11. Qd2  | Na6  |
| 12. Rab1 | a4   |
| 13. b3   | ab   |
| 14. Rb3  | Nc7  |
| 15. Rfb1 | Rfb8 |

Now White has threats all over the board, especially after eliminating the black QB.

- |         |     |
|---------|-----|
| 16. Nh2 | Bg2 |
| 17. Kg2 | d5! |

A tactical surprise.

- |        |      |
|--------|------|
| 18. cd | Nfd5 |
|--------|------|

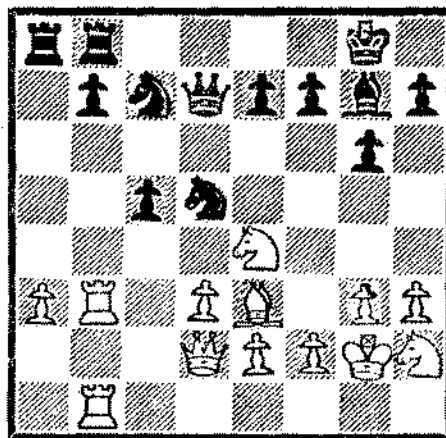

The White QN must move, but 19. Nd5 Nd5 20. Bc5 Qc6 etc. does not look good.

- |          |  |
|----------|--|
| 19. Ne4! |  |

(See diagram.)

- |         |     |
|---------|-----|
| 19. ... | Ne3 |
| 20. Qe3 | Bd4 |
| 21. Qh6 | Nd5 |

Ignoring the threats. 21. ... Bg7 holds White off at least for a while.

Position after 19. Ne4!

- |         |     |
|---------|-----|
| 22. Nf3 | f5? |
|---------|-----|

A very weakening move in view of what follows; probably the losing move.

- |          |     |
|----------|-----|
| 23. Neg5 | Nf6 |
|----------|-----|

- |         |  |

| 24. e3! |  |
|---------|--|

A good move but, embarrassingly, I had not calculated it.

|---------|----|

- |                    |  |
|--------------------|--|
| 25. <del>cd?</del> |  |
|--------------------|--|

White wins easily after 25. Nd4! cb 26. Nde6, but he blows it.

- |         |     |
|---------|-----|
| 25. ... | Bc5 |
|---------|-----|

- |         |  |
|---------|--|
| 26. Rb5 |  |
|---------|--|

On 26. ... b6, White replies 27. Ne5. Then if 27. ... Qd6 28. Ng6 gives an overwhelming attack. If 27. ... Qd8 28. Ne6. If 27. ... Qe8 28. Ne6 followed by Nc5. Black chooses to die in a different manner.

- |         |      |

SICILIAN DEFENSE  
Nick Goncharoff -- Steve Decman

Notes by the winner.

- |          |       |
|----------|-------|
| 1. P-K4  | P-Q3  |
| 2. P-KB4 | N-KB3 |
| 3. N-QB3 | P-QB4 |

(This is a Sicilian Defense by transposition. A more usual order of moves would be 1. P-K4 P-QB4 2. P-KB4 P-Q3 3. N-QB3 N-KB3. -- Ed.)

- |          |       |
|----------|-------|
| 4. B-N5+ | B-Q2  |
| 5. BxB   | QxNB  |
| 6. N-B3  | P-KN3 |
| 7. O-O   | B-N2  |
| 8. P-Q3  | O-O   |
| 9. Q-K1  | P-K3  |

Anticipating a future P-KB5 by White.

- |                                 |       |
|---------------------------------|-------|
| 10. P-KR3                       | R-QN1 |
| More accurate is 10. ... R-QB1. |       |
| 11. P-QR4                       | Q-R4  |
| 12. B-Q2                        | Q-Q1  |

Losing a tempo and a pawn.

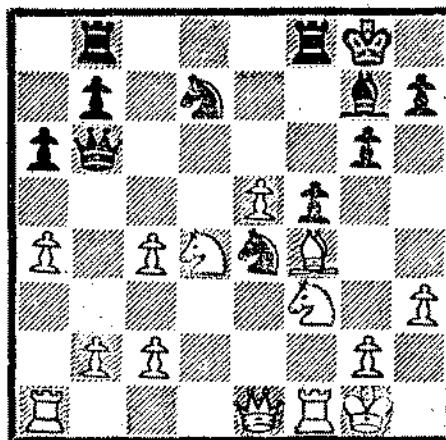

- |           |       |
|-----------|-------|
| 13. N-QN5 | P-QB5 |
| 14. PxP   |       |

A pawn had to fall. This capture weakens White's KP. Also playable is 14. NxRP PxP 15. PxP N-B4 (Not 15. ... Q-N3+ 16. B-K3 N-B5 17. N-N5) 16. Q-K2 N-N6 17. R-R3 NxB 18. QxN Q-N3+ 19. Q-B2. Of course not 14. NxQP Q-N3+.

- |                          |       |
|--------------------------|-------|
| 14. ...                  | P-QR3 |
| 15. QN-Q4                | N-B4  |
| 16. P-K5                 | PxP   |
| Better is 16. ... N-K1.  |       |
| 17. PxP                  | N-K5  |
| Threatening 18. ... BxP. |       |
| 18. B-K3                 | N-Q2  |
| 19. B-B4                 | P-B4? |

Loss of material appears inevitable. If 19. ... N(5)-B4 20. P-QN4. Relatively best is 19. ... P-KN4 20. B-R2 P-KN5 saving the piece at the expense of a pawn. The text allows White to go wrong.

- |                        |       |
|------------------------|-------|
| 20. NxKP?              |       |
| Simply 20. PxPep wins. |       |
| 20. ...                | Q-N3+ |
| 21. N(6)-Q4            |       |

*Position after 21. N(6)-Q4.*

If 21. N(3)-Q4 R(B)-K1! 22. NxB KxN (Not 22. ... QxN+ 23. B-K3!) 23. P-B3 NxP, Black's strong centralized knight on K5 and White's weak Q-side pawns compensate Black's pawn minus.

- |                                    |        |
|------------------------------------|--------|
| 21. ...                            | BxP1   |
| 22. BxB                            |        |
| Better is 22. B-K3 saving a tempo. |        |
| 22. ...                            | NxB    |
| 23. P-B3                           | N(4)xP |

Here Black offered a draw. He has regained his material and evened the position. More important, he has survived a lost position. White declined the draw, commenting on Black's having less time on the clock.

- |           |          |

Comments by Procon captain David Stuhlbarg: White won a pawn by his four-move combination (moves 11 through 14), but he failed to see Black's strong K-side attack and then met it poorly. White's fatal mistake was accepting the gift horse on move 16.
