## BULLETIN

APRIL 22, 1979

VOLUME 22 NUMBER 7

### PRESIDENT'S REPORT

Our next business meeting will be Tuesday, May 15th, at Albright Gym in Cicero (1½ blocks west of Cicero Avenue on 22nd Street). The tentative agenda is as follows:

- I. Minutes of the last meeting (5 minutes).
- II. Treasurer's report (5 minutes).
- III. Election of officers (30 seconds)

I have not received one call from anyone to run for any office. The offices of President, Editor and Treasurer will be vacant. We have a good thing here and we must keep it going. We are equal opportunity. You don't even have to be a good chess player. (That's been proven). Just a member with a heart to do their part. We'll help you. (I just love giving advice).

I've received complaints that the league has been run out in the West/Far West or the Bell System/Argonne click. (Seems most of the volunteers are from there).. However, we officers ran virtually unopposed. For my part, I have jaw-boned for a centralized location like Albright Gym for most of our doings. I do hope to hear from the North and Central Divisions. All we fear is a lack of volunteers. Geez! Anybody out there?!

- IV. League voting results on Jim Brotsos' proposal of a 25th Anniversary Book from the Division Chairman (10 minutes).
- V. Discussion of Advertising (10 minutes).
- VI. Lee Stensaker's Proposals (See Bulletin No. 2) (15 minutes).
  - (a.) Bulletin and expenses
  - (b.) Changed in the rules of Residual Eligibility

VII. Month Report (10 minutes)

VIII. Open discussion, special awards, old business, new business, etc.

This is a nice time to start thinking about our summer annual all star match or maybe the old beer and pretzel match. Would some nice volunteer give me a call to start this off?

I'm really looking forward to seeing you at the meeting May 15th, the Tornado, May 19th, and, of course, the Awards Banquet in June.

Jim Sobun

Congratulations to the Wheaton College Crusaders for winning the Far West Division Championship by beating the Argonne Rooks 5½ to ½ in a winner-take-all match at Argonne on April 9, 1979! The victory over the Rooks avenged Wheaton's only loss of the season. Now if the ANL Pawns (5-2-2) beat the Fermilabs team (2-6-1) on April 19, the two Argonne teams will have to meet in a playoff for second place during the week of April 23rd.

All the results from round 9 and the current standings are shown elsewhere in this bulletin. In the only other result from round 10, AMOCO beat the Kingsmen to gain their first winning season in several years. Congratulations to AMOCO on their rise from last place last year to 4th place this year! The complete pairings and results for round 10 are shown below.

# OUTPOST SQUARES IN CHESS

## OUTPOST SQUARES IN CHESS

This revolutionary new chessbook:

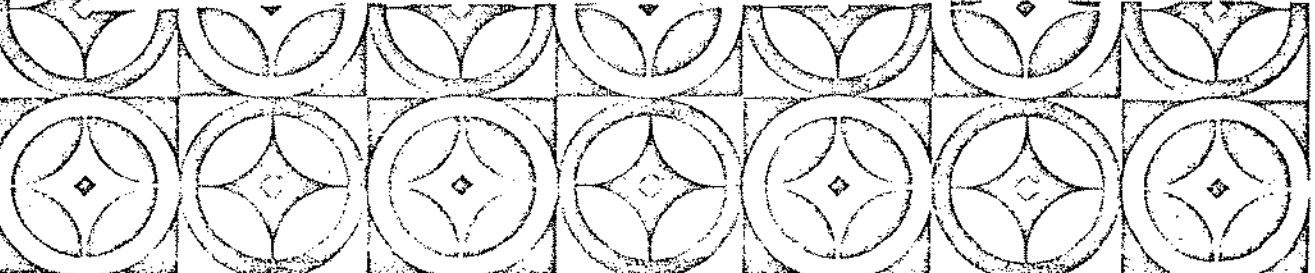

- 1) defines, by case method, the "outpost square", or "post";
- 2) asserts, upon study of a group of Botvinnik games, that, in the overwhelming proportion of those games, the primary strategic objective in the game (once out of the opening), was a post; according to Botvinnik's own annotations; and
- 3) studies various aspects of play around the posts, in 32 pages, and 47 diagrams.

Illustrations are also given in occasional positions from games of Morphy, Alekhine, Fischer, and Karpov.

To plumb these depths of our great game for yourself, rush the comparatively trivial sum of \$2.95 to
