## en passant....

Things are coming together a little better in this issue of the Bulletin. As a novice, the editor is learning a few things--thanks to trial and error plus friendly suggestions from 'subscribers'. The League is blessed with a lavish resource of computer printers at Joe's disposal. When the November statistics didn't copy very well, Joe merely countered with "we'll try another kind". I think you'll find readability of ratings less of an eye-strain for December. There's another step ahead to reach on copy quality. You may have noticed the quality bouncing from issue to issue between offset printing and xerographic copying. Tight time scheduling hasn't always permitted waiting in line for an offset job.

The next business meeting has some issues to be resolved. Those planning to attend should review all '79 issues of 'Sounding Board' and 'Personal Profiles'. This issue of the Bulletin continues the expressing of growing pains by those who took the time and trouble to write it out. Each deserves a hearing toward a better, healthier League.

May your holidays be meaningful and your New Year rewarding! bwp

## sounding board

During the Argonne Rooks' first five matches of the 1979-80 season, two incidents have occurred that should be aired to ensure that they do not recur. Both incidents involve rules violations.

The first incident occurred during the October 24, 1979, match between the Rooks and Wheaton College. On board five, Steve Decman of the Rooks faced Tim Leonard of Wheaton. A few Wheaton players were watching late in the game when Decman moved his king, released it, saw that the move dropped a pawn, and quickly moved the king to a better square. Some of the Wheaton observers immediately announced that Decman had to leave the king on the square where he had first released it. As Decman reports the incident, the spectators spoke immediately, giving his opponent no chance to make the objection himself. There is no question that Decman had made a move and then taken it back and that his opponent was legally entitled to demand that he make the first move. But there is also no question that the spectators were interfering in the game, a clear violation of the rules. Article 19.1(a) of the Official Rules of Chess, second edition (page 51) states:

During play the players are forbidden to make use of handwritten or printed matter or to analyze the game on another chessboard; they are also forbidden to have recourse to the advice or opinion of a third party, whether solicited or not.

The point of writing about the incident is not to protest the game; Decman ought to have been required to stay with his initial move. On the other hand, he says, the interference so upset his concentration that he blundered away a piece on the following move. League players need to keep in mind that their teammates are on their own during the course of their games. A third party's comment that a piece has been touched is as much a violation of the rules as his recommending a move.

(continued on next page)

FOUNDERS BOARD (CONTINUED FROM PREVIOUS PAGE)

The incident is serious, but forgivable. It is easily resolved by calling attention to it, educating the offenders and making a simple announcement before a match. Following the incident, I discussed it with Wheaton captain Beryl Price. He understood and agreed to explain the matter to his team members. Issue noted and closed.

The second incident, however, is not so easily forgiven. It occurred during the December 12, 1979, match at Argonne between the Rooks and Amoco. It involves a violation of CICL Policies and Rules by a team captain, resulting from his apparent ignorance of the Rules of Chess. On board four, Steve Decman faced Mike Dee, Amoco's team captain. Decman's time had expired by some six or seven minutes before Dee noticed that the flag had fallen and claimed the win on time. Decman then asked Dee to verify the failure to complete 45 moves by reproducing the game from his scoresheet, a request Decman is entitled to make under the rules. USCF Tournament Rule 17.1 (6) (Official Rules of Chess, second edition, page 42) states in part:

... a player loses the game by time-forfeit and his opponent is ruled the winner if the following provisions are satisfied.

(a) The opponent must have a complete score of the game. (The director may permit up to three incomplete move-pairs if written and also, where possible, oral announcement is made in advance ...) ...

(b) The opponent must have a scoresheet which is playable (reasonably legible and accurate) in the opinion of the director under his discretionary powers. Individual unplayable moves recorded are counted against the completeness of the move-pair involved. ...

(c) The opponent's scoresheet, after verification if necessary, must prove that the player whose flag fell had not completed the given number of moves. The player may volunteer his own scoresheet to disprove the opponent's claim. ...

In other words, you can't claim a win on time unless you can prove it with a valid scoresheet.

CICL Policies and Rules, Article II.d.5 states:

The Team Captains are expected to encourage good sportsmanship and proper chess etiquette among their team members. They are responsible for their team members observing the CICL rules and the Laws of Chess.

The matter needs to be discussed openly and dealt with at the next league meeting.

Captain Argonne Rooks

RATINGS REPORT by Paul Weston

I hope that the ratings this year are everything that we promised. If you have any comments, please let me know. I would like to take this time to thank Joe Brozovich and Bill Plant for creating what I think is an outstanding ratings program.

As your Ratings Chairman, I have some requests of all the team captains. First of all I would appreciate it if the names on the score sheets could be printed. Second, would you please use the spellings that are in the Ratings List. I know that some names are spelled incorrectly, but we will have to wait until next year to correct them. Third, whenever you have a player from another team playing on a non-counting board, please indicate on the score sheet which team he/she is from. Fourth, if a new player is playing for the first time, please show that he/she is new. If the new player has a USCF rating, show this also.

Thank you for your support in these matters, and let's all play great chess in the coming years. . . .

MERRY CHRISTMAS & A HAPPY NEW YEAR

FAR WEST DIVISION - Joe Brozovich

By the time you read this, the first six rounds will be complete. The results of round five are shown elsewhere in this Bulletin. In round six, the following results are known:

Wheaton College Crusaders	- 3	BTL Royals	- 3
ANL Rooks	- 4	Amoco	- 2
ANL Pawns	- 1½	W.E. Kingsmen	- 4½

As we enter the final round of the first half of the season, the W. E. Kingsmen look like the team to beat. However, the Wheaton Crusaders, BTL Royals, the ANL Pawns and Rooks are all potential play-off candidates. Only Fermi Labs and Amoco appear to be off to a slow start this year.

Judging by the current standings in the other divisions, it looks like the Far West Division will go all the way to the last round before the winners are known.

MERRY CHRISTMAS & HAPPY NEW YEAR to one and all. See you all next year!

P.S. See Joe's change of address and telephone number on back page.

NEAR WEST DIVISION - Dan Kumro

After four rounds, the Argonne Knights is the team to beat! The Knights remain as the only undefeated team (3 - 0) in the Division. The Knights stopped the Chargers in a close match by the score of  $3\frac{1}{2}$  -  $2\frac{1}{2}$  to take over the lead in the Near-West Division. The Knights were the first team in 18 matches to score  $3\frac{1}{2}$  points against the Chargers. (Even the 1978-79 League Champions, Harza Engineering, managed to score only a 3 - 3 tie against the Chargers but won the match on tie-breaking points.)

The Chargers started their undefeated string when they won their three play-off matches to secure the League Title in 1977-78. This was preceded by nine straight wins and a loss to the Argonne Pawns in that season. So, in retrospect, until the night of November 14, 1979, then they lost to the Knights in actual board play, the Chargers ran up a record of 24 wins, 2 draws, and only 1 loss--an enviable record over  $2\frac{1}{3}$  seasons.

Also a further explanation about the tie-break system I wrote about in the November Bulletin (#3). I would like to state that a loss, even a playing loss, can never result in scoring more tie-breaking points than a draw. For example, in Section A, if the match result is a 3 - 3 tie then a win counts for 10 tie-break points, and a playing loss two tie-break points, a forfeit loss one tie break point, etc. Also, no negative values will be assigned. After seeing my article in print, I could see that my tie-breaking system wasn't that clear and needed more clarification. Sorry!

NAME: Dan Kumro

POSITION: Near West Division Chairman, Western Electric Chargers

FAMILY: Wife- Marilyn; Daughter - Sherry, 18; Son - Dan (15)  
We have lived in Mt. Prospect since 1964.

HOBBIES & SPECIAL INTERESTS: CHESS!!! Organist, Sherlock Holmes buff  
and spectator of Football and Music in general.

CHESS LIFE: Learned Chess when I was about 12 years old. High School  
champion. CIGL Treasurer for 3 years; CIGL President for 1 year;  
Bulletin Editor for 2 years; Ratings Chairman for 2 years.  
Joined the CIGL in the 1959-60 season.

Captained two undefeated, untied championship CIGL teams before  
the 6-man league, and captained the 6-man N.W. Division (undefeated  
in divisional play); champions of 1978-79, played on 7 CIGL  
championship teams in all. Also, played on the 1977-78 6-man  
league championship team of the CIGL. Won the CIGL 30-30 in  
1972. Won the Brilliancy prize for best game in the CIGL  
Tornado in 1977.

After a 12 year vacation, I enjoy playing postal chess again.  
I was ranked in Chess Review Postal Chess as 24th in 1966  
in a 4-way tie.

WHAT I LIKE (don't like, or would change) about the CIGL and the Bulletin:

I am happy to see what a substantial organization the CIGL has  
become, 35 teams in 1978-79, and 34 teams in 1979-80. It looks  
like the CIGL is here to stay! Sometimes in the early years it  
looked like the CIGL was in danger of going out of business.  
I feel there is a need to change the time control and support  
Karel Dobr's proposal as stated in the November "Sounding Board".  
(Karel and I were supporters of the 100 point limitation in  
ranking players. We also tried, unsuccessfully, for several  
years to get this rule installed. However, it finally became  
a reality when other members worked at it to get the change made.)

I am also an ardent fan of the "Home Court Advantage" philosophy  
and feel the home team should play "White" on the odd boards.  
I know some members will feel this is a moot point. I am also  
going on record making this an official proposal to be voted on  
at the next business meeting.

Being an ex-Bulletin Editor, I would like to say that I feel  
Beryl Price, our current editor, is doing a great job.
