WESTON'S WONDERS

No results turned in from East Division

en passant....

The not-quite-so-short month of February was again long on special events as symbolized on the cover page of the Bulletin, adding USA winter Olympics and a 29th day for 1980.

Two short league games are printed this month from the lower boards. I would like to ask each team captain to select a significant game from league play and mail it in for publication. Recommended courtesy would be obtaining permission from both winner and loser. A few annotations help to point out crucial moves, good and bad. There may be a brief introduction to heighten interest for the game submitted. Like two undefeated players settling for a draw, or one 'David' upsetting a 'Goliath' (See Weston's Wonders in this month's issue.) or a whole match hinging on this game's outcome, or even a comeback by a player down by one or more pieces and then rallying for a mate.

PEOPLE PROFILES has now completed four rounds to include representatives from each Division. If you believe this feature should continue, contact your Division Chairman to let me know about a league player who you believe is deserving of special recognition. An accompanying picture of the player helps to personalize the autobiographical sketch.

CICL OBSERVATIONS:

Although the quality of the Bulletin has been tremendously improved, the Bulletin should not be used to air squabbles between players which are becoming personal attacks on individuals. All arguments between players should be heard by CICL officers, and the officers should publish a summary of the argument and their decisions.

When the rating system was established, there was concern that the new players would obtain their ratings at the expense of the established players. Therefore, separate calculations were prepared in order to limit attrition of the established player ratings. I suggest that when an established player gains points, he should gain the same points as the opposing player is losing. The original rating procedure provided for the review of the latest USCF rating list, using the USCF rating if it is higher than CICL. This apparently has been abandoned.

FAMILY: Bride of 6 months, Annette

Began playing chess on a regular basis after joining Sears chess club in 1969. First season in CIGL (1969-70) an unspectacular one for Sears club. Had only losing season with a record of 4-5-1 (win-loss-draw).

Earned an initial rating of 1480 in the 1970-71 season and served 1st term as team captain, held thru the 1976-77 season. The following season Sears lost to Procon $2\frac{1}{2}$ - $1\frac{1}{2}$ in the final round of the 4-man Division playoffs. In the 1972-73 season Sears shared 1st place with CTI and were champion in the 1974-75 and 1975-76 seasons. In the new 6-man league, Sears finished 2nd in the 1976-77 season.

Best personal record in CIGL was in 1976-77 with a win-loss-draw record of 13-0-0 on 3rd board. Finished 3rd in the "Most Improved Player" category when rating jumped from 1580 to 1735.

Has been a member of the US Chess Federation since about 1971. Currently holding a rating of 1682 although not been active for the last couple of years.

The undefeated Argonne Knights are still leading the pack in the Near-West Division. Following close behind with one loss (to the Knights) are the Western Electric Chargers. At this point in time, these two teams are heavy favorites to repeat as last year's representatives to the play-offs for the over-all League Title.

If you do not hear from me by phone, these are the Swiss pairings for Round 8 (time period to be moved up to 2-22-80 to 3-6-80, inclusive):

Bell Labs at Argonne
 Western Electric Chargers at International Harvester
 West Com at Western Electric Gambiteers
 CPC BYE FOR THIS ROUND

Please let me know by phone as soon as your match is played (Home Team Captains), as I cannot make the pairings for Round 9 until I hear from all of you. In the Swiss pairings, no team can receive more than one non-playing BYE. The three teams that receive Byes will play a special 9 board match in Round 11 if all three want to participate. The schedule appears at the end of this article. Congratulations are in order for International Harvester as they knock-off Bell Labs in Round 7, 4 - 1 (double forfeit).

<u>Round 11</u>			
H plays up W/W	A-1	H-1	
	H-2	B-1	B plays Down
	B-2	A-2	
B plays up W/W	H-3	B-3	
	B-4	A-3	A plays Down
	A-4	H-4	
A plays up W/W	B-5	A-5	
	A-6	H-5	H plays Down
	H-6	B-6	

W/W means with the White pieces. Team H is the Home Team.

P.S. Revised Schedule:

Round 9	3-7-80 to 3-25-80
Round 10	3-26-80 to 4-10-80
Round 11	4-11-80 to 4-28-80

Captains must try to avoid adjournments. If the outcome of a match depends upon the adjourned game, all adjournments must be played no later than the second calendar date of a succeeding round.

Round 11 adjournments, if necessary, must be completed by 4-29-80.

P.P.S. Don't forget your M.V.P. candidates!!!

FAR WEST DIVISION REPORT by J. M. Brozovich

With nine rounds completed, the Kingsmen are still undefeated by virtue of an undeserved draw with the Argonne Rooks. After losing two of their first three matches, the Rooks drafted Dwight Kucera, and they have not lost a match since.

In a similar move, the BTL Royals coaxed Don Wilson out of retirement to stay competitive in the rough and tough Far West Division. And last year's champion Wheaton Crusaders have only one loss this year, but in their rematch with the Rooks, Wheaton is losing 3 to 2 with one game adjourned.

Last year's second place team, the Argonne Pawns have acquired a new player with a 1567 USCF rating, and they're out to upset the leaders in the Far West.

As you can see, it's going right down to the wire this year, and I wouldn't be a bit surprised to see a play-off to determine the final winners.

RATING NEWS by J. M. Brozovich and Paul Weston

In the November Bulletin, the first rated match of this year was an exhibition match between the Excalibers and Kemper Insurance which was played last June. Since this match did not really belong in this year's results, the match results were cranked into the initial ratings at the beginning of the year as if it was rated last year. In other words, the people who played in this match will see their results from this match deducted from this year's totals, but their ratings will remain correct.

Secondly, the duplicate records for Peel, Peel, A., Lachapelle, and Lachapelle, G. of International Harvester were deleted from the master file and all the results were credited to Peel, A. and Lachapelle, G.

Finally, I want to thank Beryl Price for the excellent job he is doing on the Bulletin this year. For example, I received my copy of the Bulletin through the mail less than one week after giving him the rating results. So I think we should all cooperate with Beryl and get all the information to him on time so that he can continue his fine work. Remember the Bulletin is only as good as the information we put into it.

If anyone wishes to have a copy of the Ratings' Charts used by our computer, please send a stamped self-addressed envelope to: P. E. Weston, 1741 Violet St., Aurora, IL, 60505.

WESTON'S WONDERS (discovered by the League Ratings' Chairman)

A few years ago, Dan Kumro had an idea to highlight some great accomplishments by the members of the CIGL. His idea was to acknowledge the winners of games over higher rated opponents. To this end, he established KUMRO'S GIANT KILLERS. Following this great idea, I have scanned the efforts of the members of the CIGL thus far and I now present them here as WESTON'S WONDERS. Yes, Virginia, there is a Santa Claus!

TWO SHORT GAMES

Some of us play chess in the C.I.C.L. for years waiting for the opportunity to catch an unwary opponent in our favorite opening trap. Just once we'd like to get a mate in under 20 moves. Domenico Delli Carpini in his first C.I.C.L. game managed to mate in 14 moves. The game is from the Far-West Division match between the Argonne Pawns and the Wheaton College Crusaders played on February 5, 1980.
