### Bulletin Editor:

To be determined

From the President's Desk

The final Tally is in. The decision to hold the second and third playoff matches on the third Saturday of May has been upheld. The final breakdown of the votes are shown below.

Far West Division	5 for Saturday	2 against Saturday
Near West Division	7 for Saturday	1 against Saturday
East Division	3 for Saturday	4 against Saturday
North Division	3 for Saturday 2 votes not counted	5 against Saturday
Total Votes	18 for Saturday 2 votes not counted	12 against Saturday

Since publishing the last bulletin, I received a letter from a CICL member stating his and other members objections to my handling of the above question. He felt that the vote at the meeting should have been upheld without canvassing of the teams.

Last year, the league had a problem with producing the bulletin on a timely basis. I felt that the low turnout at the meeting was primarily the result of this problem (publicizing the meeting in advance) plus the problem with location. The location of the meeting (while it's the best from the league standpoint) does cause a problem for the East and North Division to attend.

The league rules and guidelines states that the league president will be responsible for "ensuring that the CICL fulfills its purpose". I question if the vote taken at the meeting was representative of the league opinion and this is why a entire league vote was needed.

The most important element in league affairs is flexible. This is shown in our rules and match set-ups. I felt and still feel that issues of major importance should be decided by the entire league.

Near-West Division - Dan Kumro

Another season of the CICAL is under way and a special one at that, as this is a rather historical year. We undertake our 25th season or Silver Anniversary.

This is a notice to all team captains that the Argonne Knights have used their maximum of two privileges in starting an absent player's clock. Western Electric Chargers have used one. CPC, Int'l. has also used one. This means that Argonne can no longer start an absent player's clock (unless board #6, then 5, etc.). After the 15 minute grace period is exhausted, the opposing team captain can insist that players be moved up and the forfeits recorded on the lower boards. It also means that if a player comes late and his clock is running on board 6, he may play but only if his rating is in sequence (within 100 points of the man on board 5). If a team captain plays an established rated player out of sequence and the opposing captain protests the match in writing, the opposing captain may have his team play but the mere playing of the match does not "overrule" the protest and he may protest in writing anytime during the night of the match. However, if he does not sign the match score sheet that night on the protest line but merely signs in the normal manner, the match stands as played. Also, if a captain knows in all probability that he intends to protest at the end of the match, he should forewarn the opposing captain before the start of the match which would allow him to revise his line-up. Therefore, this behooves every captain to play his established players in proper sequence. The penalty for violating this rule will be stringent in the Near-West Division.

i.e.	boards			
	3	1700	WON	Although player on
	4	1400	WON	board 4 is in sequence
	5	1550	WON	to player on 3
	6	1450	LOST	for match scoring

purposes he cannot score more than 1/2 a point (in this case, penalty is 1/2 a point) for proper sequence, he should not be playing board 4. Since player on 5 should definitely be playing higher than player on board 4 for match scoring purposes, he scores "0" (penalty 1 point) and all players below him score "0" - for individual rating purposes all games stand as played.
