### Bulletin Editor:

To be determined

FROM THE CICL PRESIDENT

As you are aware the cost of living has been increasing rapidly. This affects not only the individual but organizations, particularly non-profit organizations like the CICL.

For years, the league has been subsidize by private companies who has helped with the publication of the league bulletin. We currently find ourself in an unpeasant situation of having no editor and no place to publish. The league must make the bulletin self-supporting.

To this end, we have increase the cost of the bulletin to each team to (25) twenty-five dollars per year. I realize that this is a one hundred and fifty per cent increase but we have no choice. The cost to the individual will be (10) ten dollars per year.

In addition, each bulletin should follow these guidelines.

1. Each bulletin must be no longer than 20 pages.
2. Only pre-typed material will be accepted for publication.
3. League news, standings and ratings will have first priority for publication. Games and other instructional items will be included if there is room.
4. The deadline for publication is the 20th of the month. This is the date of receipt. Please submit material at least five days in advance of deadline.

Until we obtain a bulletin editor, please sent material to the me.

Gee Y. Leong  
CICL president

Chicago Industrial Chess League  
Meetings of August 13, 1981  
Minutes

1. Treasurer Jim Brotsos presented the League financial report. The League made a profit during the last year of over \$300. This produced a current balance of approximately \$691. Jim proposed a budget for the 1981-1982 season based on team dues of \$22, a CICL Bulletin team subscription rate of \$10, and an individual bulletin subscription rate of \$5. This proposal was approved unanimously.
2. Several new teams were admitted to the League. New teams in the East Division are: Montsomery Ward, Veteran's Administration, and Continental Bank. New in the Far West Division are the Western Electric Tyros, a second team from Western Electric. Finally, A & B Radio was admitted and will play in the Near West Division. A & B Radio's home playing location will be at St. Rita's High School, 63rd and S. Clermont (one block west of Western Ave.). Provisional approval was given for a second team from Standard Oil, if one can be formed. Tom Gaffisan, the East Division Chairman, will be responsible for seeing that the criteria for team membership will be met.
3. Two new alumni members were proposed by Jim Brotsos: Art Delhafen and Hush Wheeler. These alumni memberships were approved unanimously.
4. Paul Weston passed out packets of material to be distributed to all team captains, including a set of the new three-part match results sheets and a fresh copy of the CICL constitution and playing rules. Paul also requested all team captains to return to the practice of sending all match results to the division chairman, rather than to him as ratings chairman. This request supercedes the decision made at the spring business meeting on this subject.
5. Dave Baurac of the Arsonne Rooks presented a proposal that the League Championship matches all be played on a single designated day in the spring. After considerable discussion it was agreed that the first round of the playoffs would be played by arrangement between the teams, as at present, during the first two weeks of May, but that the final two rounds would be played on Saturday, May 22, at a common location. This proposal was approved with only one dissenting vote.
6. Charlie Ward reminded all team captains that at the spring meeting it had been decided that all teams should acquire a copy of The Official Rules of Chess. These rules should be made available for reference at all home matches.
7. Next ensued a discussion of the eligibility of consultants

or other temporary personnel to play on a company's team in the CIGL. After a prolonged discussion, it was agreed that the wording of the CIGL constitution regarding eligible players as those "on the payroll of the company ..." should be adhered to strictly. Exceptions to this rule should be made only under exceptional conditions, and should be the result of a favorable vote of all team captains at a League meeting or following the circulation of a formal letter to all teams in the league stating the exceptional conditions applying to the case.

8. Paul Weston suggested that the typist who had typed the new edition of the League constitution and rules should be voted an honorarium. After some discussion, it was agreed instead that a letter of thanks be written.
9. President Gee Leons announced that as yet there was no one willing to serve as Bulletin editor for the coming year, and further that Kemper Insurance did not want to continue printing the Bulletin, which they had agreed to do last year only as an emergency measure to finish out the year. After much discussion, no solution was found. Gee and Paul Weston volunteered to investigate commercial printing costs, and Gee hoped to continue searching for a volunteer editor.
10. Tom Gaffigan announced that there would be an informal team super-match held at the First National Bank on August 28, at 6:00 PM. All CIGL teams were invited.
11. As there was no further business, the meeting was adjourned.

Respectfully submitted,

*Charles E. W. Ward*
