Bulletin 5 Volume 26

February 1983

COMPUTER AGE

On February 24th. our league took the first step toward the future. As was reported in our special edition, a meeting was held and the vote was cast in favor of the purchase of a computer. Details may be found in Charlie Ward's report at the end of this bulletin.

I was very disappointed at the attendance for this very important meeting (6 people), considering this purchase affects everyone in the league. The turnout was anemic at best. The total attendance of people that really care about the future of the CICL was depressing. It is true that a few people cared enough to send their proxy vote, but the rest of you fell short on your obligation. This attitude also shows when other league functions and events are poorly attended. I've been in this league for ten years and I see the trend moving away from one of involvement to one of 'let someone else do it'.

I know that most of you only attend our banquet to play speed chess, well don't bother to show up this year because we are not going to have any speed chess. As of this bulletin no volunteer has come forth to organize this event. The same thing holds true for the trophies - none will be presented this year. There are more events and jobs that will cease this year, they are listed below.

<u>EVENT/JOB - (RESULT)</u>	<u>DATE</u>	<u>VOLUNTEER</u>
Awards Banquet	June 17, 1983	Mike Tolson
Championship	Round 1	??
Playoffs	Rounds 2 & 3	(No director or playing site)
Directors		
Trophy Chairman - (No trophies for banquet)		None
Nominating Committee - (No officers next year?)*		None
Speed Chess (Banquet) (Cancelled)		None
Tourney Director		None
Tornado Tourney Director - (Cancelled)		None

Volunteers:

* I will not be running for any office next season. Also, there will be a need for a new division chairman in the Far West next season. Both of us will be joining the ranks of the non-volunteering, 'let someone else do it' group that is so heavily populated in this league.

Paul E. Weston
CICL President

Chicago Industrial Chess League
Meeting of February 24, 1983
Minutes

Attendees: P. Weston (WE Tyros), J. Brotsos (EXcaliburs), C. Ward (BTL Dragons), B. McNeil (Motorola), E. Balase (Sears), E. Racutt (Apex).

1. The meeting was called to order at Western Electric's Albright Gymnasium by president Paul Weston.
2. Treasurer Jim Brotsos announced that, based on the latest figures, the League could spend up to \$2000 for a microcomputer system. The reason for this increase over earlier estimates was a significant savings realized this season in the costs for producing the CICL bulletin.
3. The proposal to purchase a TRS-80 Color Computer system for the ratings application was discussed at length. It appeared that the Radio Shack TRS-80 Model III, which was currently on sale at a considerable price reduction, would offer a significant increase in capability for a modest price increase over the Color Computer. Also, it was the feeling of the meeting that the Epson MX-80 printer offered a better value than the somewhat less expensive Radio Shack printer. It was moved that the purchase of a TRS-80 Model III 48K two-disk computer and an Epson MX-80 printer be negotiated, provided that the total cost involved did not exceed \$2000. This proposal was approved by a vote of 13-0 (including proxy votes).
4. In further discussion, the question of insuring the new system was discussed. There was general agreement that the cost of such insurance would be moderate, but more specific information on the best procedure to be followed should be obtained. Also, Charlie Ward agreed to be responsible for the conversion of the existing software and transfer of the current rating data to the new system. The objective will be to have the League completely operational on the new system by September, 1983.
5. Jim Brotsos requested that an amendment to the CICL policies and rules be formulated for the spring business meeting such that the treasurer not be responsible for the microcomputer system, if he is not in physical possession of it. The current rules specify that the treasurer is responsible for all League property.

Respectfully Submitted,

Charles E. W. Ward
