Volume 26 Bulletin 3

Nov & Dec 1982

Season's Greetings

I hope everyone has recovered from all the turkey and holiday excitement. As you may have noticed by publishing date, this bulletin will be the last for 1982. Due to many factors and the over crowded mails, we will publish the next issue shortly after the first of the year. So, we wish everyone a happy holiday and good cheer until we return next year.

Paul E. Weston
CICL President

--Notes of interest--

As observed in this issue, there are some bugs getting into our ratings program. We are working on this and would appreciate each captain and division chairman's help to insure complete and accurate results sheets. Thank you.

I'm sad to report that as of this issue we still do not have any volunteers for the various league activities. As I said in the last issue, these jobs are not that difficult but they do require your help and participation.

Bruce McNeil, the north division chairman, has informed me that the vote on the members of the Engrave-it team is almost complete and it would appear that Mr. Victor Swanson has been voted in as a member of that team. As some of you might know, Mr. Hale Chan has chosen to play for one of the Alumni teams in the east division, there for no vote is needed concerning Hale.

--Coming next issue--

The committee on computers is gathering their results and we will publish their findings in the next issue. For those of you who might like to offer some ideas on this subject, the committee is made up of the following:

- Mr. Joe Brozovich-chairman
- Mr. Norm Hughes
- Mr. Dwayne Satterlee
- Mr. Charles Ward

In future issues we will again try to present some interesting games from league play. Until we find a games editor, please send any games to to me at:

Mr. Paul E. Weston
 1741 Violet st.
 Aurora, Il. 60505

If you have any comments regarding the bulletin or our league, please feel free to write to me and i'll try to answer you or find someone who may be able to help.

GEORGE CUNNINGHAM, TREASURER AND DIRECTOR

Dear Friend of Chess,

Our plans for producing support material for the Kolty Chess for Youth program are developing rapidly. We need manuals to help volunteer chess teachers. We need explanatory material for the regular elementary teachers to help them understand how to sponsor a chess club and help them understand the values of chess in giving the child practice in decision making where the decision carries its own consequences, favored or unfortunate. We are working on the development of a weekly reader for children: Pawn & Queen and In Between to broaden and enliven the child's chess experiences.

We are still looking for more volunteer teachers as well as financial contributions to further these promising developments. Write us of your availability as a volunteer teacher and enclose your check in support of Kolty's efforts. All contributions are tax-exempt and you will receive our prompt acknowledgement of your gift. Use the enclosed envelope for your check and help our youth program. Thanks.

Sincerely yours,

George S. Cunningham
