Any games, wins, draws, or losses, from the simultaneous, would be welcome for publication in next month's issue.

NOTICE: The Spring Business Meeting will be held tentatively on Tuesday night, April 15. Details (or changes) will be specified later. It is very important that team captains be present, from teams that anticipate playing in the playoffs! As decided last Fall, playoff format and dates will be settled at this meeting, by the teams that will participate. Other routine business will also be addressed.

The CIGL extends its condolences to the family and teammates of former Western Electric (now AT&T) player Walter Elliott, who recently passed away.

The simultaneous exhibition by Grandmaster Arthur Bisguier was quite a success! 19 CICL members and 4 guests challenged Bisguier, but only 5 of them escaped resignation. Congratulations are extended to Bob Manaster (of AT&T Skokie - CICL rating 1933) and Keith Rose (of Amoco - CICL rating 1677) for the only two wins! Congratulations also to Jim Brotsos (of Excaliburs - CICL rating 1561), Bruce McNeil (of Motorola - CICL rating 2069), and Charles Huttar (of Combined Banks - CICL rating 2033) on achieving draws! The rest of us will remain anonymous!

Arthur Bisguier is a very pleasant player who is especially interested in making chess fun. He played white on all the boards, but allowed each of the participants to choose his first move for him. He offered liberally the use of "passes" to players who were not quite ready to move as he came around to their boards. Still, all the games were finished by shortly after 11:15 PM.

As you can see, it is not just the highest rated players than can achieve success. It takes persistence, patience, and good concentration to avoid mistakes. It only takes one bad move to negate 40 good ones! And Bisguier sure knows how to capitalize on a bad move!!

Those of you who missed the event, missed a very pleasant event.

Note: A very big THANK YOU is extended to Pat Sabados of Amoco, who did so much to make sure that the playing site arrangements were squared away. It was ideal for the simultaneous! Also on hand from Amoco were Keith Rose and Mike Spangler, who helped with set-up. Bruce McNeil was responsible for accompanying Mr. Bisguier to and from his hotel on the night of the games. It would not be without everyone's assistance, and everyone's attendance, that the simultaneous exhibition would be a success.

Dear Mr. Bisguier:

On behalf of the Chicago Industrial Chess League, I would like to thank you for your participation in our recent simultaneous exhibition. The players really enjoyed the opportunity to meet with and play against you. Your friendly conversation made it possible for several people to get acquainted with you, and that was also greatly appreciated.

Thank you very much for your interest in supporting us in this event. You made it a success!

Sincerely,

Wesley K. Underwood
