CICL ALL-STAR MATCH

The first round of the 1986 CICL All-Star Match took place on November 12. Players from the East and North divisions competed against each other on 10 counting boards at Continental Bank. The North team had an average rating of 1880, compared to 1696 for the East. However, it came down to the last game to finish, where Mr. Bloom escaped with a draw against Mr. Kogan, allowing the North to win 5.5 - 4.5. Unfortunately, the match between the Far West and Near West Division was not so interesting. The Near West was unable to field a team, and forfeited the match.

The CICL All-Star Finals will be held between the Far West and the North Divisions. The match is scheduled for 7 PM, Wednesday December 10, at Motorola in Schaumburg. Come to play, to watch, or to play an exhibition game for rating. [Ed. - If you want to play for the Far West or North Division, be sure to contact your division chairman soon!]

Anyone interested in the US Amateur Team Championship Midwest? It is scheduled for February 14-16, 1987, at the Hyatt Regency O'Hare. If so, contact Bruce McNeil or Wes Underwood. It would be nice to see one or more teams fielded by the CICL this year. See the advertisement in this issue. It is also advertised in the Tournament Life section of Chess Life magazine.

Well, for lack of submission of even one game over the past 6 weeks, I figured I'd give you a chance to help me understand why I haven't won a single game yet this season. Here are my four attempts. Perhaps someone can help me change the direction my rating is heading!
