Editor's Note:

This issue is the first to feature our "Interviews with the Officers." Suggested by a CICL player who is also a fan of the Grandmaster interviews featured in *New in Chess*, these interviews borrow some questions posed to the Grandmasters, as well as a few original ones, and ask league officers! First up is Tony Jasaitis, former president and current East Division chair. Thank you Tony!

Thanks to Jeff Balicki, Ratings Chair, for his continued great work keeping the ratings up to date!

We're looking for submissions! As always, feel free to submit stories, games, chess news, and information about local chess events to the bulletin. Please email submissions to Bulletin@ChicagoChessLeague.org.

Best to all,

Patrice Connelly
CICL Bulletin Editor
Bulletin@ChicagoChessLeague.org

Name: Tony Jasaitis

Position: East Division Chair, Former President

Team: Tradelink Zookeepers

CICL Rating: 1906

What is your favorite food? Mexican with Tiramisu for dessert

And drink? Chocolate milk

How long have you been playing in the CICL? Since about 1979

What do you see as your best result ever (in or outside the CICL)? USCF: Beating Ed Formanek and drawing Greg DeFotis and Andrew Karklins all in one tournament (all 2300-2400 at the time).

CICL: Personally: beating Dan Levine (2400) of Argonne Team: Back in the early 90's my fledgling CRT team was paired in round 1 of the playoffs with Motorola back when it was just one powerhouse team. We were outrated on every board, and by over 400 points on 3 boards, yet we drew the match with several of the -400 players coming through! It's still my favorite chess memory.

Who is your favorite chess player of all time? Bobby Fischer, despite his quirks

What are chess players particularly good at (other than chess)? Concentration. Witness the times when the old Chicago Chess Club was located on the 2nd floor downtown on Wabash, where the L trains would screech by on their turns. Some of the best Chicago chess was played there

Is there another skill or game you'd like to learn? To play the harmonica like Howard Levy.

If you could choose a superpower, what would it be? To slow down time

Would you use your superpower in a chess game? That might be tempting, but I was thinking of "regular" life. Been burning the candle at both ends and in the middle lately!

If you had to choose an animal to play on your CICL team, what animal would it be? A raccoon - cute and sneaky!

Do you have a favorite artist? Salvador Dali

What music do you like to listen to? Folk, Oldies, Rock, Electric- any style that features a guitar.

Is there a chess book that had a profound influence on you? *The Complete Chessplayer* by Fred Reinfeld got me to the USCF 2000 level in my freshman year of high school.. Since I have never advanced past that, everything else I've read has been a waste.

If you could rename your CICL team any name, what would it be? I've already taken that liberty with my last two teams with names my teammates didn't like: Hedgehogs, and now Zookeepers, so I'm out of any more good ideas.

Hypermodern or classical? Swashbuckling! Pillage and Burn!

If you were a chess piece, what piece would you be and why? A Knight - hop, skip, jump and horse around!
