"Chess is not, and can never be, a hobby. It is either a disease or nothing. It is an obsession, an affliction, an addiction. But it is not a hobby.

"EVERY chess player", an ironic fried of mine said recently, "should have a hobby." This was a neat epigrem. Because those who are serious about the game soon become as single-minded as alcoholics; wife, family, job and other interests all become submerged in the chessboard.

I have largely given up playing the game because of its seductive powers. I used to urge others to take it up, but I no longer do so. The peril is too great. Some serious drinkers avoid becoming alcoholics; but no serious chess players ever avoid becoming chess nuts. What we need is secret organization called "Checkmates Anonymous."

STRICTLY PERSONAL

OOPS:

In addition to numerous spelling mistakes, page 2 of Bulletin No. 2 contained several errors. The team that BELL & HOWELL played and lost to was WE CHARGERS and not WE GAMBITEERS as reported. Meanwhile the HALL - ROTO lost to the WE GAMBITEERS by a score of 2 to 6 and not to the WE CHARGERS.

Your chairman, the editor and the secretary have red faces for all the mistakes.

TOURNAMENT LIFE:

1966 Illinois Open:

The listing of participating players published in Bulletin No. 1 should have included E. PETTIGREW from Teletype. Mr. Pettigrew placed 143rd scoring three points (one win, four draws and two losses).

The Illinois Chess Bulletin in discussing the Illinois Open mentions S. Mihailovich's, ANL (1876) loss to unrated P. Peters as an upset.

La Grange Open:

Thirty nine players participated in a rated tournament on November 5th and 6th. The list included two masters and twelve class A.players. Dr.Martinowsky (2203) won all five games to take first; R.Veber (2329) gave up a draw to L. Palucius (1987) to place second. The surprise of the tournament was dr. G. Hirsh (ANL), who came-in unrated and proceeded to win against two class A players and drew with T. McCormack (1946). In the fourth round he lost to dr. Martinowsky and in the fifth round lost to a former League member C. Lee (1859). His game with dr. Martinowsky is given on page 6.

NORTH CENTRAL OPEN:

A. Sandrin (ANL) tied with masters R. Verber (2329), W. Martz (2343), A. Angos (2266) and K. Brasket (2263) for the first place at Milwaukee over the Thanksgiving Holidays. Each player won five and drew two games for a 6-1 score. J. Warren (WE) also played and had a 4-3 score.

JOIN U.S.C.F.:

Effective January 1, 1967, the U. S. Chess Federation membership dues will increase from \$5.00 to \$10.00 a year with 20% club discount in effect. Members can renew their membership or join the Federation at the old (\$5.00) rate before the first of the year.

Sustaining membership will increase from \$10.00 for ten years to \$20.00 for ten years. It has been rumored that members having sustaining membership or those joining before the first of the year will continue at the old rate of \$10.00 for ten years.

CHAIRMANS CORNER:

Knights To Place First?

In the month of November we saw ANL KNIGHTS win over TELETYPE and MOTOROLA to remain the only undefeated team in the League. Their most recent win over ANL PAWNS indicates that the Knights are the team to beat. With J Jackson (2003), D. Kucera (1960), J. Scherer (1886) and S. Mihailovich (1876) playing the top boards, followed by F. Helm (1557), V. Puchala (1540), T. Tsang, N. Beck, M. Volpe, T. Koppenaal and others it will take all out effort from the remaining teams on the schedule to stop them from winning.

Chicago Title & Trust:

The team merger between the Chicago Title and Trust Co. and The First National Bank of Chicago is not working out to everybodys satisfaction. In the three matches played so far the Chicago Title and Trust contributed only one player and only for a home match. As a result the team had to rely on players from the Bank. Thus far the First National Bank/Chicato Title and Trust team has been forced to forfeit 8 boards or 1/3 of the boards played. I hope that the situation will improve with their next match and we will see at least four players from Chicago Title and Trust playing all matches: home and away.

Forfeits:

Other teams are also having player problems. The Illinois Bell team forfeited two boards in four matches and the ANL Pawns three boards in six matches. The forfeits are hurting the League spirit and discouraging other players to show up for matches. Some forfeits are unavoidable: unforseen events at the last minute prevent the players from appearing at the match. But majority of the forfeits are known in advance by the team captain. Surely every team captain must know on the day of the match how many players will show up. Therefore, it should be a common courtesy to call the opposing team and to inform them of a forfeit so that a player would not be forced to wait for couple hours or even to travel several miles to find out that there is no one to play.

Strowger Chess Club Interested In C.I.C.L.:

The Strowger Chess Club from the Automatic Electric Laboratories, Inc. has inquired about League activities and is considering in joining the League. Three of their members have U.S.C.F. ratings; two of them are R. Anderson (1631), A. Sodaro (1751) Teams interested in arranging matches should contact Mr. G. O'Toole, at 562-7100, Extension 594.
